PLAYGROUND SEASON STARTS JULY 7 The vacation season this end. Beginning with the 4th of July tomorrow until late Sunday night the biggest traffic jam in the history of the nation is predicted by the National Safety Council. In view of past experience it is estimated that 475 persons will start out on automobile holiday trips and not return

Mayor Goddard, authorized by the Board of Aldermen to close city hall on Saturdays during the months of July and August, has announced that such Saturday closings will become effective on the coming Saturday, July 5th. As city hall will be closed on the holiday, July 4th, city office employees will enjoy a three-day noliday week-end. Newton's administration offices will close at 5 p.m. on Thursday afternoon and will reopen for business on Monday at 8:40 a.m.

Draft Boards Select Nine for

July 7 Induction

Board Chairman Signs

Draft Here Is Less Than Estimated Recreation Commissioner F. Ewing Wilson Announces

Registrations Are Slow on Tuesday As Fewer Youths Reaching 21 Since **October Appear Before Local Boards**

Total of 301 Less Than Two-Thirds Of Number Expected to Register

carelessneess, recklessness or undue speed on his own part or by the negligence of some Local draft boards were active all day Tuesday in preparation for the registration of Newton youths who have become twenty-one years old since the first registration for the Selective Service Act was held last October. Far short of the estimated number of approximately 500 appeared at City Hall to be listed. The total just passed the 300 mark with 301 names added to the lists of Boards 112, 113 and 114.

District 112 comprised of end is unusually long but an all-time high of production means full pocketbooks and full gas tanks. More than thirty million automobiles will travel an extincted four bullet miller in the three devices.

District 112 comprised of Wards 1, 2 and 3 had the highest total of the three districts with 125. District 113 which includes Wards 4 and 5, listed 86 and District 114, Wards 6 and 7 had 90. Previous estimates had placed the figures of District 112 at about 200, District 113 at 150 and District 114 at 125. Cards of Newton young men

trict 114 at 125.

Cards of Newton young men who registered in other places will be forwarded to the local Boards. One of those who registered on Tuesday volunteered for immediate service. He was Richard V. Tenney of Newton Centre who came before Board 114. A few of those who registered were residents of other cities but living temporarily in Newton. Their cards will be sent to the proper boards. There were two such cases in District 113 and one in District 114.

The Newton Y. M. C. A. held Last year a reduction was made in the nation's record of July for the first time in 19 to a concerted effort on the part of thirty national or-ganizations joining with the safety council in a drive to

District 114.

The Newton Y. M. C. A. held open house for all registrants of Newton, Watertown and Waltham. The young men were accorded full privileges of the association for the day. General Secretary Kenneth C. Dale announced that they would also be given full privileges of the "Y" on the day on which they are called for the r examination.

go a long way toward the goal. Don't join the Fourth Dr. Chope To Go Column. Take it easy on the Fourth. Be alive on the Fifth! To Brazil For Foundation

Accepts Appointment on Staff of Rockefeller Unit

Staff of Rockefeller Unit

Dr. Harold D. Chope, former Health director for Newton and a present member of the Board of Health, has resigned in order to accept an appointment to the staff of the Rockefeller Foundation which will take him to Brazil in August. The resignation of the former Newton Health head was announced by Mayor Paul M. Goddard to whom Dr. Chope sent his letter of resignation. Dr. Chope resigned the position of Health Director of Newton last year to accept a teaching position in the Harvard University School of Public Health. He had served five years as Health director and had been a member of the Board of Health by appointment of Mayor Goddard since last year.

In his letter of resignation Dr. Chope stated that his first assignment as a member of the Rockefeller Foundation staff was to Sao Paulo, Brazil, and that he and Mrs. Chope would depart for South America about August 1st. He further added that he had not anticipated leaving Newton for several years but the nature of the offer was such that he did (Continued on page 8)

Many June Weddings Set New Local Record

A new record for June weddings in the city of Newton was set last month when 137 couples filed marriage intentions at the office of city clerk. Last June 122 couples gave similar notice.

For the first six months of

For the first six months of the year 1941 there were 516 couples compared with 358 for the similar period of 1940 who expressed inten-tions of embarking on the sea of matrimony.

Camp F.A. Day **Plans Program** For Fourth

Holiday to End With Outdoor Supper, Fireworks

Many parents of boys at Camp Frank A. Day have already signified their intentions of attending the annual Fourth of July cele-Friday. The events of the holiday have always met with enthusiastic response, not only for their official visitors' day of the camp This year efforts on the part of the Counsel Staff aim to make the day one long to be re-membered. "Defense of America" is the keynote of the day, and all events are centered about that

theme.

The day will open with patriotic exercises about the flagpole and the Lane Memorial, and will be followed by services in the outdoor chapel led by Director C. Evan Johnson. He will take as his theme the duties of a young American camper in the current momentous days. Singing of the "Star Spangled Banner" will conclude the services.

Athletic events will fill the en-

with his tentmates, concludes the regatta.

A picnic supper, for which guests can make reservations by application to the Camp Director, for will be held in the Grove. The evening entertainment in the Assembly Hall is under the direction of Ed Parsons of Yale University, and promises an enjoyable and instructive evening. The boys of the camp will make their first the structive evening. The boys of the camp will make their first the fireworks display held on the ball field in late evening holds great interest for all who attend for there are few displays which are its equal in town. This year 12 set pieces and several bombs which "rock the lake" fortetl a thrilling spectacle. Director Johnson and Syd Roberts are in direct charge of this part of the camp entertainment and they have been busy in setting up the display during the week. Ice cream and cake served to all who attend will bring the promising day to an end.

Activities Under Way

Activities there way
All Camp Day activities are now
under way, and the casual visitor
on looking in on the camp will believe that the camp has been in
operation for several weeks instead of one week. League teams
have been formed in each division
and games have been played. The
Senior division has two teams
known as the Red Sox and Yantoes: the Junior division has four known as the Red Sox and Tallekees; the Junior division has four teams — Braves, Cards, Dodgers and Giants; the Midgets have two teams—Bears and Mudhens. These teams vie for League leadership (Continued on page 4)

Women's Club Familiarize Citizens With Plant

Again this summer, the Conservation of Natural Resources Committee of the Newton Federation of Women's Clubs warns that now is the time to start destroying "Ragweed."

"Ragweed."

The month of July is the time to fight this enemy of public health, as the pollen will be ready to be spread by the wind by the last of the month.

To become ragweed conscious one must be familiar with the plant. To this end, the Conservation Committee of the Newton Federation of Women's Clubs will issue bulletins bearing a picture of the weed in blossom, together with means for its eradication. These bulletins and pictures will be posted on boards and in store windows in each village.

The co-operation of Mayor Goddard and the press and both local-theatres will show the ragweed story on their screens the week of July 6th.

Newton Fire Chief Asks Sane Fourth

Says Noise Is No Indication of Patriotism

"Nothing is more important in these days of emergency than preventing waste of natural re-sources," said F're Chief Clarence W. Randlett of the Newton fire department in an interview at headquarters this week. "Accord-ingly, it is encouraging to notneadquarters this week. "Accordingly, it is encouraging to note the trend toward a 'Safe and Sane' celebration of Independence Day. People are becoming better educated to the fact that a lot of noise on the Fourth does not necessarily indicate patriotism. Instead, they are giving more thought to the real significance of the day. Each year less fireworks are sold and more cities and states pass laws prohibiting the sale and also the use of these explosives except by properly the sale and also the use of these explosives except by properly qualified and bonded persons. One-third of our population lives in the states that have passed these laws. Parents no longer are willing to let their children take the risk of losing an eye, or a hand, or of contracting tetanus infection.

infection.

"This year, especially, it would not be sensible to burn quantities of gunpowder just to make noise. All explosives are needed for national defense. Moreover, in past years many blazes have been ignited by fireworks. Such fires, always a serious loss, are especially wasteful now.

"The war has shown that fire

inted by fireworks. Such fires, always a serious loss, are especially wasteful now.

"The war has shown that fire can be utilized as a terrible weapon. America is not now at war, but we are girding for national defense and serious outbreaks of fires in industries would impede these efforts. All fires cause loss of the nation's resources."

Continuing he said, "Correct building methods can be made an important part of our fire defenses. In fact, many homes would be saved from destruction by fire and hundreds of lives would be spared if dwell rgs were constructed to confine an accidental outbreak of flames until the fire department arrives. It is unfortunate that many homes in America are poorly constructed in this respect, flames spread rapidly through hollow walls."

While on this subject, he suggested a trip to the cellar of the average home where many fire hazards would be found such as defective heating equipment, hot ashes, rubbish and electrical defects. As a result, a large percentage of fires in the home beg in in the cellar and the flames spread upward through the hollow spaces in the walls, which actually serve as flues, drawing the heat and flames upward. When heat and flames upward. When heat and flames upward.

While on this subject, he suggested a trip to the cellar of the average home where many fire hazards would be found such as defective heating equipment, hot ashes, rubbish and electrical defects. As a result, a large percentage of fires in the home begin in the cellar and the flames spread upward through the hollow spaces in the walls, which actually serve as flues, drawing the heat and flames upward. When fires originate on upper floors, the flames spread in a similar way, additional burning materials dropping down to start new fires.

"There is a simple way to protect homes from such a disaster, said Chief Randlett. He suggested putting up a ceiling of metal lath and gypsum or cement plaster in the cellar, or at least in the furnace room, thus cutting off the cellar from the upper portion of the house. It is also important that the door at the head of the cellar stairs be constructed substantially and without thin panels. Of course, this door should be kept tightly closed.

Summer Staff Appointments

Summer Schedule For Collection of Trash In Effect

Circulars were distributed this week to residents of the city informing them of the summer schedule of collection of trash which became effective this week. As in late years the city will make collections every other week during July and August instead of every week as done through the other months.

Collections will be made the second and fourth weeks, In July city trucks will make the rounds during the week beginning July 7 and 21. In August during the weeks beginning the 4th and 18th. The regular schedule will be resumed in September.

The street department also announced that all burnable material must be kept in a separate container from the solids and that brush must be tied neatly in bundles not more than four feet in length, or in containers.

Heat Victim Stops Car Before Collapse

While driving his car on Grove str., Newton Lower Falls, on Saturday morning Melvin Dwyer, 29, of 389 Newton st., Waltham, was overcome by the heat. He managed to bring the car to a stop before collapsing at the wheel. Hs wife who was riding with him sought assistance at the office of the Riverside Sand & Gravel Company nearby. Dr. Charles A. Davenport of Park st., Newton, was summoned and after giving first aid ordered that Dwyer be taken to the hospital. Patrolman John A. Bibbo and Patrick J. Burke responded to the call for the police ambulance.

Louis N. Champeau, 59, of Boston, a distributor of circulars, was prostrated by the heat on Friday while at work on Eastbourne rd., Newton Centre. He was removed to the hospital in the police ambulance.

Another heat victim on Friday

Another heat victim on Friday was Arthur Wells, a chauffeur, of 100 Waverley ave., Newton, who was stricken at the West New-

Five Newton Women Hostesses To Wives Of Visiting Governors

Five Newton women were among forty Greater Boston residents in social, political and women's club circles, who acted as hostesses during the national conference of Governors in Boston the first of this week. The group had charge of the entertainment of the wives and other relatives of the Governors attending the convention. Sight-see ng trips, visits to famous shrines, museums and historic places, and other festivities were included in the program. The Newton hostesses were Mrs. Alice Dixon Bond of 22 Fair Caks ave., Newtonville; Mrs. Robert T. Bushnell of 193 Fuller st., West Newton; Miss Emily Saltonstall, daughter of Governor Saltonstall of Chestnut Hill; Mrs. Daniel A. Needham of 343 Highland st., West Newton, and Representat ve Margaret L. Spear of 121 Bishopsgate rd., Newton Centre.

SEASRDER OF THE AST

Fire In Newton Hlds. Restaurant

Early Saturday morning a passing motorist detected a fire in the restaurant and beer parlor of Benedetto Generazio at 100 Needham st., Newton Highlands. An alarm was sounded from a nearby box at 3.34 a. m. and responding firemen found that the blaze had spread through the entire establishment caus ng damage estimated at \$2,000. According to Chief Clarence W. Randlett the fire probably started in a waste basket behind the bar and may have been caused by a cigarette.

Many motorists and residents of the vicinity were attracted to the blaze and tied up traffic on Needham st. which carries considerable traffic throughout the night.

A blaze in a motor of an air A public hearing will be held on July 21st by the Board of Aldermen on a proposed order adjudging the two-story porch at the rear of the house at 2163 Commonwealth ave., Auburndale, to be dangerous. The order also prescr bes for the disposition of the menace by alteration or regulation. Passage of the order was recommended by Public Buildings Commissioner Arthur Campbell after he had notified the owners of the property to repair or demolish the porch and the owners had failed to take any action.

res had failed to take any action.

The condition of the porch was originally reported to one of the members of the Board of Aldermen who brought the matter to the attention of Commissioner Campbell. The latter sent two regstered letters to the owners after inspecting the porch and condemning it when danger of colapse was imminent. The building to which the porch is connected is a two-family house with one of the apartments being occupied. Owners of the building to which the porch is connected is a two-family house with one of the apartments being occupied. Among those present were Robert Nelson, Foster Lisson, Edward McCabe, Edward Chandler, Ernest Landry, Scoutmaster C. F. Liscomb and Committeeman Robert, Imrie were guests Saturd day and Sunday.

Police News

In the Blue Hills reservation on Thursday afternoon Metropolitan Police captured two youths who stole an automobile in Newton and

In the Blue Hills reservation on Thursday afternoon Metropolitan Police captured two youths who stole an automobile in Newton and threw the number plates into the Charles river. On the rear of the car was a plate stolen from another automobile and on the front was an improvised card-board plate. The boys, one a Newton youth of 15, and the other a Boston boy of 14, were brought be continued to July 11th.

The car the boys are alleged to have stolen while parked at Newton or Corner on Wednesday. The boys told police they drove to Norumbega Park, removed the plates and there them in the river, and then took a plate from a car owned by Norman E. Steed of 2212 Commonwealth ave. They made a card-board plate to match. Police are skeptical of the story that the boys told of leaving a dollar bill on the seat of the Steed car to compensate the owner in having to replace his plates.

Several burglaries were reported to the police last Thursday. The home of Mitchell A. Mintz, 528 Commonwealth ave., Newton Cene tre, was entered between 2.45 and 5.15 and two boxes containing slip covers for furn ture were stolen. Af fireplace screen was taken from a house at 115 Aspen ave., Auburndale, owned by Charles A. Early.

Newton storekeepers were warned to watch out for the activities of a beguing check to several burglaries were reported to the police last Thursday. The lowe of Mitchell A. Mintz, 528 Commonwealth ave., Newton cene tre, was entered between 2.45 and 5.15 and two boxes containing slip covers for furn ture were stolen. Af fireplace screen was taken from a house at 115 Aspen ave., Auburndale, owned by Charles A. Early.

Newton storekeepers were warned to watch out for the activities of a beguing check passer.

Early.

Newton storekeepers were warned to watch out for the activities of a bogus check passer who has fleeced merchants of large sums of money. Visiting stores of almost any description the operator gives a large order to be sent to a specified address. In payment he tenders a check for a larger amount than that due and requests the balance in cash. The delivery address usually turns out to be a vacant house or lot and the check later returns from the bank marked "no funds."

chairman, Dr. Frank R. Clark. He stated that a scholarship of \$300 erd on Friday by Bernard Deckwas given to a graduate of Newton High School and that six loans were made to deserving boys to help them through colleges.

President John then mentioned the work of the Good Cheer committee which carried on the state of the state of

loud ringing of our Liberty Bell is a symbol of all that we Americans have to live for! Staunch, sturdy-from the beam from which it is suspended, to the gong that strikes out its message, our Liberty Bell signals to a waiting world of oppressed peoples that though the struggle be long and hard, the call of Liberty will again ring around the world . . . as it still rings out for every American.

of this Board by the Aldermen at their next meeting is a forward step in the progress community activities of this nature. Director James P. Reynolds has been doing most satisfactory work under the conditions which have existed. He will continue as agent of the new board and its only salaried member. The four other citizens who have been "drafted" to serve in a voluntary capacity are performing a worthwhite service in order that Newton might have a welfare administration in conformity with those recognized as proper by state and federal authorities. Benjamin J. Bowen, Charles C. Dasey, Robert E. Dickerman, and William R. Mattson will bring experience, intelligence, and civic-mindedness to the proper administration of New-ton's welfare problems.

A Defence Fourth

Tomorrow is the Fourth of July-the observance of the Declaration of Independence of the colonies of this country from which our nation grew. Let Freedom ring throughout the breadth of the land. Today the nation is engaged in the greatest defence undertaking in its history. Annually the citizens of America spend millions of dol-lars in a display of patriotism through the making of noise and the bursting of bombs and other fireworks.

Mayor Goddard, in conjunction with other chief executives, state and national officials, has issued an appeal to all citizens to prevent the needless waste and the unnecessary sacrifice of life and limb. Nothing is more important today than to conserve our natural resources for possible emergency in defence of the land we hold so dear. It is senseless to burn quantities of gunpowder for the sake of making a little noise.

Regardless of how one may think or feel in regard to the European conflict and our eventual part in its outcome we are all united on one fact -that American defence re guires a sate and sane Fourth. suggestion that we

state and city health depart ments have shown the unsat-isfactory conditions. It is un-fortunate for the youngsters of that vicinity. And it seems incongruous sometimes to note that Newton forbids swimming at certain points where other communities permit it in locations not far removed. Newton has several adequate and satisfactory bathing facilities at other locations and though sometimes less convenient to reach than a nearby, yet unsatisfactory bathing beach, it is far wiser to take the precaution of protecting childhood health. Parental responsibility is the first requisite in protecting a child's health. We urge par-ents to send their children to the supervised bathing facilities provided by the city where they may enjoy the summer to the fullest extent. And we would also call attention to the fact that the Newton Chapter of the Red Cross is again providing the cus-tomary swimming and firstaid classes that all may learn to know the fundamentals of taking care of one's safety in the water.

County Expenditures

in the control of the

The suggestion that we "buy bonds instead of bombs" is not only timely and sensible —it is the truest form of patriotism. Let us make tomorrow a real "Defence Fourth."

The Bathing Beach

The Bathing Beach

The announcement that the Recreation Department will not open Allison Beach this summer due to pollution of the river calls attention again to the fact that a health menace exists in indulging in the old boyhood pastime of "swimmin" in the river."

Community **Chest Leaders** Meet at Brae Burn

Newton leaders and volunteer officials of nine other community chests, all members of the Greater Boston Community Fund, met for the first time last week at the Brae Burn Country Club in New-

ton.

Speaking for the 10 Metropolitan Community Chests, represented at this meeting, William V. M. Fawcett, president of the Newton Community Chest, traced the development of the community chest movement.

"In years cone by " Mr. Faw-

chest movement.
"In years gone by," Mr Fawcett told the 90 chest representatives, "volunteers did the work of
nurs'ng and tending to community problems. There was need for
centralization of effort, particularhe in fund pricing.

centralization of effort, particularly in fund raising.
"Our suburbs were all connected physically." Mr. Fawcett continued. "The people in the 10 communities thought alike, live alike and worked for the same purpose and it was logical that they joined in the Greater Boston Community Fund for greater efficiency."

elency."
Other volunteer officials of the

Other volunteer officials of the Newton Community Chest present at this meeting were: Miss Mabel T. Eager, vice president; John M. Bierer, treasurer; Fitzhugh Traylor, clerk; Neil Leonard, chairman of the 1942 Campaign; and Mrs. John F. Brown, Newton District Nursing Association.

The following directors of the Newton Commun ty Chest were also present: Lyscom A. Bruce, William M. Cahill, Frank A. Day, Mrs. William V. M. Fawcett, Mrs Maynard Hutchinson, Durham Jones, Kivie Kaplan, James B. Melcher, Mrs. H. Clayton Pearson, Frank L. Richardson, Leon B. Melcher, Mrs. H. Clayton Featswiferank L. Richardson, Leon B Rogers, Clifford H. Walker, Julius E. Warren, A. Leslie Harwood, Joseph B. Jamieson, Rev. Charles Farrar, Rev. John A. Sheridan, Benjamin W. Pepper

55 YEARS AGO

Newton Graphic, July 3, 1886
M. Horrigan of this c ty defeated C. W. Flagg of Brockton,
Thursday evening in a collar and
elbow wrestling match. The result
was a great surprise to the Brocktonites, as they thought their
champion was sure to win.

Work will begin on the widening and reconstruction of that part of Waverley ave. known as "Snake Hollow" next week or as soon as the improvements begun on Newtonville ave. are completed. The story that there has been a quarrel between the Mayor and a member of the highway committee over when work shall be done is without foundation, as the gentlemen are on the best of terms, and the Mayor does not interfere with the doings of the highway committee.

The cards are out for the wedding of M ss Mary A. Ellison, daughter of ex-Mayor Ellison and Mr. Frank F. Day. The ceremony will be the first to be held in the new Eliot Church and will be July 14th. The honeymoon will be spent in Europe.

Chambers barber shop was closed yesterday and he went to the Methodist picnic.

25 YEARS AGO

Newton Graphic, June 30, 1916 Elaborate preparations being made for July 4th celebrations at Newton Centre, Newton High-lands, Upper Falls, Waban, and the Brae Burn Country Club.

Boys attending camp include the following:

To Protect Public To Direct Drive Against Stale Bread For Aluminum

Sealer of Weights and Measures
Andrew J. Prior on Wednesday
took steps to protect the public
against the sale of stale bakery
products due to the strike of bakery dr vers that has paralyzed the
distribution system to a great extent. A systematic inspection of
all bakeries and stores in Newton
to enforce the observance of the
law requiring the segregation and
marking of all stale bread, was
begun. Prior stated that bread is
legelly considered stale twelve
hours after baking.

Mayor Paul M. Goddard this
week received telegrams urging
that a local campaign be launched
as soon as possible to collect alumnum for defense materials. The
telegrams were from Governor
Saltonstall and Mayor LaGuardia
of New York, National Civilian
Defense head.
Newton's chief executive immediately took steps to inaugurate
the drive by referring the matter
to the Newton Public Safety Committee. He conferred with John
Millerer, chairman of the committee, who will appoint some one

mittee, who will appoint some one to head the drive in Newton. U. S. O. To Benefit From

Mr. and Mrs.. William E. Larkin have purchased for a home the brick-front colonial residence at 429 Brookline st. in the Oak

Thayer.

Next week the attraction will be "Three Cornered Moon." Opening on Tuesday, July 8th, it will run through Saturday, July 12th. The play is the story of a very wealthy family who suddenly and unexpectedly lose all of their money. They are, of course, forced to go to work, a thing before unheard of. Their adventures while one attempts to work n a factory and another tries his hand at acting provide a hilarious and highly entertaining evening. To complicate matters they possess a flighty and unpred ctable mother.

In addition to Miss Bruce and Mr. Downer parts will be taken by Edward Maroney and William It Pays to Advertise

June Building **Spurt in Newton**

Local building in June, 1941, surpassed that of June, 1940, according to the monthly report of the Newton Public Buildings Department this week. The spurt also sent the total for the six months of this year far ahead of the first six months of a year ago. In June, 1940, there were 82 permits issued as compared with 106 during the past month. The 1940 total value of permits in June was \$180,437 with this June the total reaching \$264,497.

In 1940 there were 424 permits issued for the first six months with a total value of \$1,184,125. For the six months of 1941 the figures were 450 permits with a total value of \$1,252,850. How-

For the six months of 1941 the figures were 450 permits with a total value of \$1,252,850. However, the 1941 figures are below those of the first six months of 1939 when only 426 permits were issued but there was a total value of \$1,485,904.

The permits issued last month are classified as follows:

Number Value \$200,450 Double dwellings
Public garages
Gas Station
Miscellaneous 4,225 6,000 250 952 erations, non-res. bldgs. 8.030 102 \$264,497

May Not Continue Girls' Sales Course At High School

NEWTON NEWS

Boys Department

Gets Jail Term for **Beating Boy**

In conjunction with the annual convention of the National Education Association in Boston, the first of this week the National Council of Teachers of Mathematics hold its expenditure process.

Decision as to the continuance of the retail salesmanship course for girls in the Newton High School has been deferred by the Newton School department. In view of the lack of interest among girls eligible to take the course whether or not it will be given next year will not be decided until after the first of August, Superintendent of School Jul us E. Warren announced.

The course is open to high school graduates. A "recruiting" survey recently found only seven candidates for the course among this year's girl graduates. During the past year when the course was conducted 65 girls applied and 23 were permitted to take it. Seventeen completed the course. The teacher who conducted the course has resigned from the school faculty and if the course is continued it would be necessary to engage another teacher.

Two more of the series of dances for navy men from the Sailors" Haven, were given at the Workshop at Newton Highlands on Tuesday, June 24th and Tuesday, July 1. Last week's party was for the entertainment of fifty sailors of the Br tish Royal Navy and that of this week for the same number of men of the Merchant Navy.

The dances are sponsored by "Daughters of the British Empire." Mrs. Westford M. Taylor, Miss Amy Southwall and Miss Gwenneth Gommersall, all of Newton Highlands were hostesses.

CHARMING BRICK NEWTON CENTRE RESIDENCE SOLD

ALVORD BROS., Realtors of Newton Centre, report the sale of an attractive estate in Newton Centre located at 882 Commonwealth ave. The premises comprise a brick Colonial residence of nine rooms, with two large sun rooms, and three baths, located on a large lot of land at the corner of Manemet rd. The grounds are beaut fully landscaped and enclosed by a hedge, with a variety of trees and shrubs which adorn the premises. There is a large three-car brick garage with chauffeur's quarters and complete bath. The Brookline Savings Bank gave title to Mr. and Mrs. Michael Weinbaum, of Dorchester. The premises are valued by the City of Newton for tax purposes at \$18,500.

Dies From Prostration From Heat at Outing

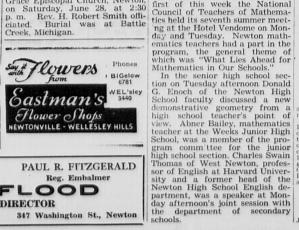

Stricken by the heat at an outing at Norumbega Park on Saturday, June 21st, Leo J. McManus, 44, of Beverly, died on Friday at the Newton hospital. He was born in Lynn, the son of Edward J. and Mary J. (McKenna) McManus and was employed as an accountand was employed as an account-ant. Funeral services were held on Monday with burial in Oak Grove Cemetery, Medford.

CLINTON C. BROWN

Clinton C. Brown of 14 Eliot Memorial rd., Newton, died at his home on Thursday, June 26. Mr. Brown was 53 years of age. He was born in Battle Creek, Michingan, and had lived in Newton for 16 years. He entered the wool business at the age of 20 in Chicago and for many years was engaged in that business in Chicago and South America. Following the World War he came to Boston from South America and became a partner in the firm of Ryder and Brown. Six years ago he established the firm of Clinton C. Brown, Inc., of 481 Summer st., Boston. He is survived by his widow, Mrs. Hazel B. Brown; adaughter, Mrs. Leo O'Donnell of New York City, and two sons, Clinton, Jr., and Charles W. Brown, 2d.

Funeral services were held at Crace Episconal Church Newton

Makes Restitution On Bad Checks

The Membership Report for the

the Newton Folice. Joyce was charged with two counts of larceny by means of worthless checks.

In court on Saturday Judge James A. Delay placed the charges on file when informed that Joyce had made restitution in both cases. He pleaded not guilty but admitted findings of guilty. Sergt. Bannon testified that last October 23rd Joyce purchased \$1.55 in gasoline at Beacon st. station tendering a \$15 check and receiving \$13.45 in change from John Dunn, station manager. When the check was returned from the bank Dunn wrote to Joyce and the latter sent a money order for \$15. On Nov. 9th Joyce bought five dollars worth of roses at the Quint Greenhouses in Newton Highlands, giving a check for \$20 and receiving \$15. Sergt. Bannon told the court that after his arrest on Friday that Joyce paid the \$20 due the florist.

shas been deferred by the Newton School department. In view of the lack of interest among girls either the first of August, Superintendent of School Jul us E. The Provincetown trip for members of the Boys Div sion will be held on Thursday, July 10th. The boys must get their reservations as soon as possible.

A big increase in the boys' department membership for the month has just been reported by Mr. Andrew, associate boys secretary.

May Employment And

Woodrow W. Foss, 29, of Medford, was found guilty of administering a beating to a 15-year-old boy which resulted in a fractured collar bone and was sentenced by Judge Donald Mayberry in Newton court last Friday to a term of six months in the House of Correction. Foss appealed and was held in \$300 bail for the Superior Court. The victim of the The monthly report of the State department of Labor and Industries shows greater employment and increased payrolls in Newton during the month of May. Data gathered by the department shows that in 15 Newton manufacturing establishments there were 2,975 employed in May against a figure of 2,883 in the month of April. The weekly payroll rose from \$63,434 in Apr 1 to \$66,818 in May with the increase in the average weekly wage being from \$22 to \$22.46 for the corresponding months. was held in \$300 bail for the Superior Court. The victim of the assault, Joseph Jassett of Pond st, Watertown and several other boys were raiding a cherry tree in the yard of a neighbor on Pond st, Newton, on the evening of June 20th when Foss and his wife were visiting at the home of Mr. and Mrs. R. F. Collicott of 55 Pond st. The boy, who appeared in court with his arm in a sling test, fled that Foss seized him and hurled him to the ground.

Foss testified that after the

him to the ground.

Foss testified that after the boys had gone through the yard and climbed a cherry tree on the property of Jacob Pass at 21 Pond st. he advised them to go away. When they replied in insulting and vile language "in the presence of ladies" he "went after them." He said that the Jassett boy fell from the tree and he picked h m up, admitting he might By virtue and in execution of th

A search of more than six months resulted in the arrest on Friday last of Albert Joyce, 41, of Longfellow rd., Sagamore Beach, by Lieut. Dan'el E. Crowley and Sergeant Richard L. Bannon of the Newton Police. Joyce was charged with two counts of larceny by means of worthless checks.

Many Newton persons who have wintered in Florida, are interested in the announcement that Rev. Kerr son Juniper, D.D., LL.D. of Ormond, Florida, and formerly of St. Petersburg, will be the preacher at the Sunday morning service of the Needham Congregational Church at 10 o'clock. Dr. Juniper has many friends and acquaintances in the Newtons.

He is one of the outstanding ministers of the denomination. He was educated at Trinity College, Dublin, and the Metropolitan Theolog cal College in London. He holds degrees from Olivet College, Michigan and Rollins College, Michigan and Rollins College, Florida. Dr. Juniper has preached in England, Johannesburg, South Africa, Perth, Australia, in Canada and elsewhere. For twelve years he was pastor of the First Congregational Church in St. Petersburg.

K. of C. Council

Louis A. Farmer, newly-elected Grand Knight, conducted his first meeting of the Newton Council, Knights of Columbus, at Elks' Hall, Newton, last night.

Other new officers of the council are Percy J. Keating, deputy grand knight; Martin E. Conroy, warden; Algernon McCarthy, chancellor; George Linnehan, treasurer; John J. Gallagher, financial secretary; Past Grand Knight Austin Morgan, Past Grand Knight Might Might William J. Gerity, trustees; William J. Geegan, advocate. The formal in-J. Gerity, trustees; William J Geegan, advocate. The formal in-stallation of the officers will be

in September.
Grand Knight Farmer appointed Austin Morgan chairman of the committee to make arrangements for the annual outing of the council to be held in August. Members of the council in the armed forces will be 'nvited to attend as guests of the other members.

Over 200 employees of the four Star Markets attended the Com-pany's annual summer outing held last Wednesday afternoon and evening at Lake Pearl Park in Wrentham.

evening at Lake Pearl Park in Wrentham.

Luncheon was served promptly upon arrival at 2 p. m. and was followed by an afternoon of sports and games. Highlights of the afternoon's activities was a Treasure Hunt in which everyone participated and found extremely entertaining as well as profitable. Various groups enjoyed the bathing facilities while others found recreation in motor launch trips around the beautiful lake.

After a big, full course chicken dinner at 6 p. m., prizes were awarded to the winning contestants in the afternoon's events and the entire group adjourned to the spacious King Philip Salon, where a happy day's entertainment was climaxed by an evening of dancing to the tunes of a well-known orchestra.

It was generally agreed that the outing was the most success.

was generally agreed that It was generally agreed that the outing was the most success-ful one held so far and due credit was given to the outing commit-tee which included: Miss E. Har-per, Miss A. Belsanti, Mrs. L. Clancy, Mr. A. Dozois, Mr. L. Conzo, Mr. R. Diran and Mr. H. Sandler.

Teach Defense

(Continued from page 1)

and provide such practice as will enable children to protect themselves and others.

"To develop an attitude of respect for our enforcement and protective agenc'es.

"To develop habits of attentive carefulness and alert obedience to traffic rules when traveling on or across the street.

"To aid in the formation of habits of carefulness and orderliness at home and at school.

"To teach children the background, uses, and precautionary devices of fire and fire prevention."

Under the heading "What can

Under the heading "What can all teachers do?" the report lists the following:

Hints For Teachers

the following:

Hints For Teachers

(1) Take advantage of every opportunity found in the school day for helping children to build self-reliance and a sense of responsibility—a task assigned, a task completed.

(2) Develop the child's ability to provide for his own protection under conditions when an adult is present as well as in the complete absence of adults.

(3) Through democratic living in the classroom, give pupils a chance to participate in some planning of the activity as well as in the doing.

(4) Give much training to children in automatically following direct ons, the general purpose of which is understood by them.

(5) Through every possible situation help children to appreciate the importance of the individual and individual conduct in our democratic form of government.

(6) Through living in the classroom, build a concern and respect for the welfare, rights and contributions of others.

(7) Insist upon accuracy of information whenever adequate resources are available.

(8) Whatever your subject or grade level, give children much experience in finding information. Beyond the primary grades give much practice in using the alphabet, dictionary, and other work study activities.

(9) Through good housekeeping and sound organization in your classroom, help children to develop the partitions of the proper partitions of the primary grades give much practice in using the alphabet, dictionary, and other work study activities.

and sound organization in your classroom, help children to devel-op habits of orderliness and neat-

op habits of orderliness and neatness.

(10) Continue working toward teaching the fundamental tools of learning—reading, writing and arithmetic—so well that all children may have automatic control of them in their daily activities.

(11) Take advantage, wherever you are, of opportunities going on to add to your store of information or skills bear ng on the subject of education of children for defense, such as:

Red Cross First Aid and Life-

Registrations from New England, Atlantic seaboard, and middle western states promise a large and representative student body at the summer school for public school music teachers which opens at Lasell on Wednesday, July 9th. Health and personal hygiene.

Health and personal hygiene. (12) Plan for the increased conservat on of materials and sup-plies in the school and in the

bourne McConathy of New York.

Boys and girls of high school age are offered a special curriculum in band, orchestra, chorus and theoret cal subjects. Mr. C. Paul Herfurth of East Orange, New Jersey, is director of this division of the summer school. He is assisted by Mr. Warren Freeman, Director of Instrumental Music, Belmont, and Mr. J. Collins Lingo, of the Newton School Department. The recreation program for the boys and girls will again be under the direction of Mr. Leland March of the Melrose School Department. Mr. March is a L'eutenant of Infantry in the Massachusetts State Guard.

In the senior division faculty home.

(13) Work toward greater efficiency in all types of communication and interpretation.

(14) In teaching facts pertaining to the emergency, remember that the child is sometimes the most literate and best informed of his family and that he will transmit information useful in an emerging the sound of the second of the

At a hearing before the Claims and Rules committee of the Board of Aldermen last week Cyaril W. Forbush sought permission to construct a frame shed over a land heing used as a nursery at 2101 Washington st., Newton Lower Falls. The removal of a large elm tree about a year ago has caused the sun and wind to kill many plants which formerly were shaded. The permit from the alternative is necessary because the nurseries are located in a single residence district. Forbush also presented a pet tion signed by residents of the section expressing approval of his request.

-Dr. Chope

(Continued from page 1)

ot feel justified 'n continuing his tudies at Harvard.

Mayor Goddard accepted the resignation and in a communica-tion to Dr. Chope expressed his regret for the loss of the health official's services.

Dr. Chope's letter and the reply by Mayor Goddard follows:

by Mayor Goddard follows:
"I received this morning from Dr. Sawyer, director of the International Health Division of the Rockefeller Foundation, confirmation of my appointment to the staff of the foundation. My first assignment will take me to Sao Paulo, Brazil, and Mrs. Chope and I will therefore be leaving Newtonville on or about the first of August.

"Much as I regret it, it will be "Much as I regret it, it will be necessary for me to resign as a member of the Newton Board of Health. At the time I accepted the appointment which you so kindly made, I dd not anticipate leaving Newton for at least three or four years, but the offer which has been made me by the foundation is of such a nature that I hardly feel justified in continuing my studies here at the School of Public Health.

"May I grain thank you for

my studies nere at the School of Public Health.

"May I again thank you for your many kindnesses to me while I was serving in your administration as health officer, and extend my wishes that the citizens of Newton may enjoy the effic ent administration which you have given them these past two years for many years to come. I hope that it will be possible for you to grant me an interview before I leave, so that I may thank you personally and bid you farewell. If I can be of any service to you and the city between now and the first of August, I hope you will not hesitate to call upon me."

Mayor Goddard sent the following letter in reply:

"This will acknowledge rece pt

ing letter in reply:

"This will acknowledge rece pt of your letter of June 26th. On behalf of the city of Newton may I say that we will greatly miss your services on the Newton Board of Health. Since coming to this city your work has been of an unusually constructive nature and as such you have made a definite contribution to this community. I must, of course, regretfully accept your resignation in vew of the situation, but I hope for your sake that the larger field will be of great interest to you.

"I sincerely appreciate your

"I sincerely appreciate your words of commendation, and of course shall be glad to see you at the office any time at your convenience."

Police Take Exam For Promotion

Nearly forty members of the Newton police department took the civil service examination on Tuesday for promotion to the rank of sergeant. The two vacancies as ently authorized by the Board of Aldermen.

The examination being open to patrolmen of at least one year's service twice the number who applied were eligible to take the exam. The tests were given in the Newton Technical High school on Tuesday morning at 9:30.

"Ice House" Site Again Subject Of Discussion

Aldermen Hold Hearing On Zoning Petition

smith, autnor of America, and repetitioned that there seemed no likelihood of any immediate developments.

Proctor told the committee that he had appeared as counsel for a petitioner several years ago who sought to establish an auto laundry on the location but was denied that right. "There is nothing commercial in the neighborhood and the proposed zone change is not to be regarded as confiscatory," he declared.

Others who spoke in favor of the change were Mrs. George H. Crosbie, Mrs. N. A. Wilhelm, Frank R. Wayne, Irving C. Paul, Mary L. Ayer, Neigan M. Usina, and Warren B. Kennedy, the latter representing the Newton Highlands Improvement Association. A letter favoring the proposal was read from Mrs. Ward I. Cornell. Albert Temperley of 129 Cypress st., Newton Centre, attorney for the ice company, charged that the soning would be "confiscatory" as the land was unsuitable for residential purposes. He stated that all the land on Centre st. from the church to the lake is in business or manufacturing zone. The site of the former icehouse is assessed for \$12,500 but "we might get \$500 for it" in a residential zone. The other land involved at Centre and Norwood ave, is assessed for \$\$500. "The only reason given for the change is an aesthetic one," he stated, "that is not enough—it is unfair, unreasonable and unjust."

Steven R. Berke of 43 Norwood ave, Newton Centre, characterated the plans for the memorial and the proposal when enterty when

evening this week.

George VanBuskirk, chairman of the Program Committee, announced that the General Motors Corporation would furnish the program for next Tuesday, July 8th. They will show a movie entitled "Now Is The Time." This movie pictures graphically the efforts being made by American industry in national defense. All people in Newton interested in this subject are invited. These arrangements have been made through Frank Battles, a member of the local club and president of the local Pontiac distributing agency.

Men's Club Sees Eventual Business Extension

Men's Club Sees Eventual Business Extension

The rezoning of the "ice-house" site at Crystal Lake was once more the subject of aldermanic consideration last week Wedness day evening at a public hearing as and Rules. The hearing was not the petition of residents of Newton Centre asking that the land in question be zoned as private residence instead of manufacturing as at present.

Contention was made by the Purity Crystal Ice Company, owners of part of the land in question. Edward Sharpe, Jr., of 200 Lake ave., introduced as a real estate expert, told the committee that to put the land into private residence zone would "Take the total value right off I land."

Former Attorney General J. Weston Allen of 219 Lake ave., former Assistant Attorney General Edward O. Proctor of 78 Glen ave. and Sydney S. Von Loesecke, representing the Newton Centre Improvement Association, led for grownent Association, led for the proponents of the change.

Von Loesecke informed the committee that the association which he represented had voted to favor the petition at a lengthy meeting the preceding night.

Allen stated that he appeared as an interested resident and as representative of other residents of the most beautiful residence sections of the city. "Zone it as you would if you were zoning it the first time," he said, "end the eyesore for all time."

In reply to a question by Chairman George E. Rawson as to the prospects of the proposed parks as a memorial to Samuel Francis Smith, author of "America," Allen that he had appeared as counsel for a membra of a proposed widening.

Manchester Wins City Tennis Title

Defeats Lowry In Two Set Final Match

Don Manchester, 1940 title holder, successfully defended his City of Newton singles tennis championship last Sunday, defeating Les Lowry 6—4, 6—1 in a battle interrupted by rain. Manchester gained the final round by turning back the threat offered by Jack Lynch, Newton high schoolboy star and state scholastic champion. Lowry defeated Paul Rich, four-time city champion prior to last year, to gain the right to meet Manchester.

The final match was begun Sun-

to meet Manchester.

The final match was begun Sunadva afternoon at the Burr playground courts, with rain halting
play with the first set at 4—4. A
large crowd of spectators had
gathered to witness the championship match. An hour later the
courts were too wet and play
was postponed for another day.
However, and Manchester and
Lowry were going by the Newton
Centre Tennis Club courts on
Commonwealth avenue, they decided to play it off there. Resuming the match with but a
couple of spectators Manchester
captured the next two games
for the first set and breezed
through the second set 6—1 to
win the title.

The Manchester-Lynch semi-

through the win the title.

The Manchester-Lynch semi-final match was played Sunday morning at Burr playground, the worning winning 6–1, 6–2.

The Manchester-Lynch semi-final s champion winning 6—1, 6—2. Lynch had gained the semi-finals by upsetting Harry Sylvester, third seeded. The Lowry-Rich match on Friday night was another upset with the former, seeded fourth, battling through a three-set match to win 6—4, 3—6, 6—2. set match to win 6-4, 3-6, 6set match to win 6—4, 3—6, 6—2, over the second seeded entry. Lowry continually took the offensive, coming to the net at every opportunity and keeping his opponent on the defensive.

Manchester will be eligible to represent the city at the New England public courts championship tournament in Hartford in September.

The annual City doubles champ-

September.

The annual City doubles championship will begin on July 13 at the Newton Centre playground courts. Registrations are now being received at city hall.

Playoffs Begin

The Newton Twilight League playoffs will start on August 17th with the top four teams participating. Plans for the playoffs were made at a meeting of managers in the Newton Centre Recreation Building last week Thursday. The first and fourth teams and the second and third teams will oppose each other in a two out of three game series with the winners to meet in a four out of seven championship series. The date for the joint banquet with the softball league was set for the first week in September.

nd new ones made by WPA em-ployees were distr buted last

Christmas.

About 200 remain on the Newton WPA rolls as compared with 330 when the latest series of cuts began. Of this number 58 are employed at Fort Devens and are being transported daily by buses. Only four "white collar" workers remain on the Newton WPA forces. They are employed on the state-wide graves registration project.

A group of Newton men employed on a WPA project sponsored by the Metropolitan District Commission were notified that they were to be d scharged but the order was rescinded and they were ordered to report for work the next day as usual.

Bandits Rob Rent Collector In Brookline

Parking his car on Babcock st., Brookline, on Monday evening during the course of h's collections of rent David Saklad, 40, of Glendale rd., Newton, was held up and robbed by armed bandits. He had \$1,800 in cash and \$700 in checks on his person.

Saklad told police that he had made his last collection on St. Luke's rd., Brookline, and had then driven to the home of his father-in-law, Louis D. Zimon, at 74 Babcock st. As he left his car another machine drew up behind h m and two men got out. One was armed with a pistol and the other with a wrench. One of the men warned him "this is a stick-up and no fooling." A third man remained at the wheel of the machine and when the two returned to the car with the cash and checks the trio sped away.

Automobile Accidents

Early last Thursday morning two men were injured in a collision between a motorcycle and an automobile at Centre and Homer sts., Newton Centre. Samuel C. Raymond, 21, of 18 Pearl st., Newton, operator of the motorbike suffered injuries to his right arm and left leg. James C. O'Br'an, 23, of Cambridge, riding on the back of the motorcycle injured his left leg. They were removed to the Newton Hospital. The car was operated by Robert W. Hill, 37, of 47 R ver st., West Newton, who reported he was turning into Homer st. from Centre st. when the motorcycle was about to turn from Homer st. into Centre st.

into Centre st.

Crashing into the traffic beacon at Centre and Hall sts., Newton corner last Saturday afternoon wrecked the automobile operated by Thomas Sweeney, 31, of 181 Jackson rd., Newton. Sweeney was taken to the hospital in a dazed condition. A fire in the machine, resulting from the crash, was extinguished by Engine 1 firemen. The accident occurred about 5.40 p.m.

seven championship series. The date for the joint banquet with the softball league was set for the first week in September.

Newton WPA

Lists Reduced

Another cut in the rolls of WPA workers was made last week Thursday when 65 men stopped working when several projects were ordered closed. Among the projects halted were the repair of Christmas toys and furniture, the sidewalk construction project, and several "white collar" jobs.

Although a new allotment of Challenge and Market and Market

Christmas toys and furniture, the sidewalk construction project, and several "white collar" jobs.

Although a new allotment of Federal funds for the toy project had been made a few weeks ago about 20 workers were dropped by the order to close the work. Eighteen men were dropped from the sidewalk construction job, two school matrons were discharged and 25 men dropped from several "white collar" jobs.

Hundreds of old toys repaired to Highlands, which was travel-ing in the opposite direction occurred.

A collision between an automo-bile and an M. & B. bus at Boyls-ton and Woodward sts., Newton Highlands, on Monday afternoon caused injury to one woman and the shaking up of several bus passengers. Euna Berryman, 50, of Boston, driver of the car was removed to the Newton hospital. The bus was being operated by James P. Connors, 44, of Auburndale ave., West Newton.

WALK WARILY

Suggestions from an Overworked Guardian Angel

"NO LOITERING". Cross streets quickly and with certainty. Don't make the driver guess what you are going to do—he may guess wrong! Books, papers and conversation can wait till you're safely across. Traffic inattention means hospital detention.

The past Fourth of July week-end marked the annual exodus from Newton of hund-

reds of families for the sum-mer vacation period. Many are gone for eight weeks or more, others for the current

more, others for the current month and still others for an even shorter period. This annual outpouring of Newton citizens to the beach and countryside annually brings an increase in house burglaries. We trust that most

Newton citizens have taken the average precautions with their valuables and have not

left them unguarded or easily

they have also informed the local police department of the

Safety Committee And Community Chest Are Separate

Due to the fact that many local persons prominently identified with the Newton Community Chest are also actively engaged in the work of the Newton Committee on Public Safety, a statement has been issued by William V. M. Fawcett, president of the Newton Community Chest to the effect that there is no connection between the two organizations as has been rumored.

At the same time a statement was issued by John M. Bierer, chairman of the Newton Committee on Public Safety of the opening of a "Report Center" or head-quarters office in the fire headquarters building at Newton Centre. The two statements follow:

"Because of the fact that many persons prominently identified with the Newton Eleven Newton young men were ordered to report at City Hall on Monday morning by the three local Selective Service Boards. Their destination was the Boston induction station on Columbus ave., where they were to begin their year of military training. Nine successfully massed their physical examination.

Among the group were several volunteers. From Board 114 was Hugh Harwood, 24, of 945 Beacon st., son of Chairman A. Leslie Harwood of Board 114 and a Boston lawyer. The younger Harwood volunteered for service after completing his first year at the Harvard University Law School. Other volunteers were the four other draftees by Board 114 including Melville B. Healey of 287A Washington st., Newtonville; Porter C. Smith-Petersen, 32 Farlow rd., Newton; and James Richard Fremd, 132 Church st., Newton.

ments follow:

"Because of the fact that many persons prominently identified with the Newton Community Chest are actively engaged in the work of The Newton Committee on Public Safety and the Air Raid Precaution Services of this city, it has been incorrectly rumored that there is some connection between the two organizations. Any members of the Chest personnel who are working in the Civilian Defense Program are acting as volunteers and private citizens. Any duplication of membership is purely coincidental."

Wm. V. M. Fawcett, Pres., Newton Community Chest.

Boston, \$2.

In the Newton court last Thursday a fine of \$25 was imposed upon Basil H. McKay of Watertown upon his conviction for a second time within a year on speeding charges. Donald A. Sherman of Taunton was fined \$15 for a similar offense and Dayton S. Barrows of Waltham was fined \$10 for failing to stop before entering a through way.

A charge of driving past a red light was filed but a fine of \$5 for speeding imposed upon Francis A. Wills of Sherborn.

Fines of \$5 each for speeding were paid by Mary L. McKervey of Jamaica Plain; Thomas G. Poston of Boston; Leslie A. Solman of Waltham; and Louis A. Racine of Waltham; and Louis A. Racine of Milford.

Those fined \$5 for failing to stop at a through way included John A. Wilson of Watertown; Anthony J. Ranucci of Waltham; James F. Howlett of Medford; Donald S. MacRobie of 43 Carver d., Newton Highlands; and Clark C. Stephenson of Cambridge.

Playground Season Opens; Many Attend

An unusually large number of children were present on Monday morning at various Newton playgrounds as the season officially opened. According to Recreation Commissioner F. Ewing Wilson a record season is anticipated, judging from pre-season and opening day attendances.

day attendances.

A meeting of the 67 workers assigned to the various local play areas was held in the city hall cafeteria. Mayor Paul M. Goddard, Mrs. Louis H. Marshall, chairman of the Recreation Commission, and Commiss

mission, and Commiss oner Wilson were the speakers.

Starting with the opening of the playground season is a new project for the junior Red Cross work, being conducted in cooperation with the Newton Chapter. Junior Red Cross work will be done at the Burr. Waban, Newton Centre and Eden ave. playgrounds. Miss Calista Roy will be in charge of the work for the Red Cross and Miss Gladys Furbush, department sewing director, will be in charge of the Recreation department.

Mrs. Ragna Hovgaard, John F.

tion department.

Mrs. Ragna Hovgaard, John F.
Donahue, and John E. Leary, fuil
t me directors in the department
will be supervisors in charge of
the summer directors. In addition
Mrs. Margaret Hills will have
charge of dancing, Miss Gladys
Furbush, girls' handiwork, Nicholas Tedesco and Layton Reimer,
boys' handiwork and Gilbert
Champagne in charge of Crystal
Lake.

Champagne in charge of Crystal Lake.

The Recreation department was forced to go outside of the ranks of c vil service for more than half of its playground directors for the summer. Only twenty of the workers were taken from the eligible candidates listed by the state civil service division. Because the list was quickly exhausted city officials were authorized to employ as many as were necessary outside. More than a score of those who had first applied for summer employment and had indicated their intention of working on the playgrounds notified the department that they had found other employment. It thus became necessary to replace them.

A third difficulty in making up the playground assignments this season was encountered because of the civil service ruling last year which ousted school teachers from employment on the playgrounds during the summer. The State

class, Teschner served on the sen-ior executive council and his school legislature. He was treas-urer of Hi-Y, and a member of the yearbook staff, Orange Shield, the Varsity Club and Alpha Beta. At Brown Teschner plans to study for the degree of Bachelor of Science in engineering. His brother, Edward A. Teschner, Jr., will be a sophomore at the uni-versity during the coming year.

Only One Pedestrian **Hurt In June**

A new safety record was set it Newton during June according to the monthly report of the Newton Traffic Bureau, with but one pedestrian injured during the thirty day period. The record contrasts with that of eight in June of 1940.

Newtonville Youth Receives Copyright For Writing Song

Stuart Spaulding, 17-yearold son of Mr. and Mrs. C.
Ralph Spaulding of Page rd.,
Newtonville, received word
this week that copyright has
been issued for his composition, "I Must Have You."
Words have been written to
the song by Miss Rosemary
W. Putnam of Watertown st.,
Newtonville, who has been
prominent for several years as
a lyric song writer. She has
studied at Columbia and Harvard Universities and will
shortly go to Hollywood, as a
scenario writer.
Young Spaulding has also

scenario writer.

Young Spaulding has also received word that four other songs he has composed will be played on a national radio hook-up within another three weeks. Mr. Spaulding, Sr., is director of instrumental music in the Newton schools, and Mrs. Spaulding is organist of the Newtonville Methodist church. Stuart Spaulding expects shortly to visit New York under the tutelage of Miss Putnam, who has been a personal friend of Rudy Vallee for some years.

Evacuation of Children Is Subject of Talk

In the first of a series of lectures sponsored by the Women's Division of the Newton Committee on Public Safety the part that women of Newton can take if evacuation of pre-school children is required was discussed. The meeting was held at the Hunnewell Club on Monday afternoon with more than 100 in attendance. Dr. Martha Eliot, associate chief of the Children's Bureau in Washington, D. C., was the speaker on "Problems Confronting English Children Today."

Dr. Eliot spent last February

English Children Today."

Dr. Eliot spent last February in England as a special envoy of the United Statees government studying the problems connected with the evacuation of children in threatened areas. She described the difficulties encountered, and how they were overcome by arranging for mothers and children to remain together. Volunteer workers conducted nursery schools to keep the children happy.

The second lecture in the series

workers conducted nursery schools to keep the children happy.

The second lecture in the series will be presented this evening in the Hunnewell Club with Miss Barbara Griffin, dietitian for the Newton Pre-School Clinic as the speaker. Her subject will be "Diet of the Pre-School Child."

Mrs. George F. Brewer and Mrs. Thomas Chase, both of Newton Centre, are co-chairman of the committee arranging the course and are being assisted by Mrs. George Peirce of Auburndale, Mrs. Philip Saunders of Oak Hill, Mrs. Stephen Bishop of Waban, Mrs. John A. McGlennon of Newton Lower Falls, Mrs. Frank Smith of Newton Upper Falls, Mrs. Ernest J. Carver of Nonantum, Mrs. Sterling Loveland of Newton, Mrs. Dana Parks, Jr., of Newton Highlands and Mrs. Thomas Beal of Chestnut Hill.

Other lectures will be as follows: Mrs. Buth Taylor, Stone

The State Division of Civil Service on Monday announced the list of eligible candidates for promotion to the rank of sergeant in the Metropolitan District Commission Police Department. Three Newton members of the force are on the list of 67 who passed the exam. Edward L. Connelly of 34 Middle st., Newton is second on the list, Francis C. Magaletta, 182 Tremont st., is third and William J. Cronin, 39 Ellis st., Newton Upper Falls is 15th.

Newton Archer Tops Wife 1 Point

Mr. and Mrs. Townsend Cushman featured the weekly handicap shoot of the Newton Archers at the Newton Centre Playground last Saturday afternoon. Townsend Cushman topped the field, leading his wife by a solitary point, winning the men's handicap while she captured the women's handicap while she captured the women's handicap. Ernest Bradley scored the high junior American with Bob Goldich shooting the high American round and winning the novelty shoot. Mrs. Hazel Wilson scored high American among the women.

Course To Cover **Five Week Period**

The first class of the Newton Air Raid Precaution School was held last evening in the high school auditorium. The 1200 persons in attendance taxed the capacity of the spacious hall both on the main floor and in the balcony with but few vacant seats remaining.

remaining.

John M. Bierer, chairman of
the Newton Public Safety Committee presided and explained the
committee organization. William
V. M. Fawcett, chief air raid
warden for the city, described the
duties of his position in an interesting and imaginative way.

A short talk by David Curwen.

teresting and imaginative way.

A short talk by David Curwen,
a 15-year-old English schoolboy,
who described his impressions of
an air raid was a feature of the
evening program. The highlight
of the program came with the
presentation of a motion picture
showing Nottingham, England,
during an actual air raid. The
film was most descriptive and gave
the class a real insight into the
possibilities for which they are
preparing themselves and Newton for emergency service.

The special course for wardens

ton for emergency service.

The special course for wardens which began last night will be continued for the next five weeks on Monday evenings in the high school auditorium where men and women from the 13 villages of the city will attend. On Wednesday evenings the Red Cross First Aid course which is given as a part of the Air Raid Precaution School. will be given in various school-houses throughout the city so that each section will have a smaller unit of persons to deal with in this type of instruction.

The Newton ARP organiza-

with in this type of instruction.

The Newton ARP organization is comprised of William V.

M. Fawcett as chief warden with
Lyscom A. Bruce, Jr., as deputy
chief warden. The training committee includes Daniel P. A. Willard, deputy; Carl M. Penny, assistant; Mrs. W. V. M. Fawcett,
Mrs. Alexander Standish, Alexander Standish and John M. Bierer,
Serving in an advisory capacity

MacDonald performed the ceremony which was followed by a recention in the yarden of the ion in the garden of of the bride's parents.

reception in the garden of the home of the bride's parents.

The bride, who was given in marriage by her father, wore a gown of white chiffon trimmed with satin applique, with long sleeves and a train. Her veil was caught to a cap of seed pearls and she carried white roses and baby's breath. Mrs. R. A. Bittenbender of Buffalo, N. Y., was the matron of honor and Miss Elizabeth H. Sylvester of Brookline, the maid of honor. They wore gowns of turquoise organdy with lace bodices and had matching bows in their hair. They carried bouquets of yellow roses. Leslie H. St. Lawrence, brother of the bride, was the best man. The ushers were Charles A. Thompson, Philip H. Trowbridge and Edward F. Patterson, all of Newton Highlands.

Following a wedding trip to Maine, Mr. and Mrs. Ferlazzo will reside on Shaler Lane, Cambridge.

CARROLL-EBEL Recent Engagements

Waban Naval Cadet Receives Ensign's Wings

Receives Ensign's Wings

Former Naval Aviation Cadet Robert W. Samuelson of Waban, Mass., and the University of Maine, has been comissioned an Ensign in the Naval Reserve and awarded the gold wings of a Naval Aviator, having completed successfully the seven months advanced flight training course at the Naval Air Station, at Pensacold, Florida, as well as the preliminary training of one month at the Squantum Naval Air Station. Following two weeks' leave of absence, Ensign Samuelson will be ordered to active duty as a pilot in the Aeronautic Organization of the Navy. Eighteen months later he may apply for a commission in the Regular Navy or Regular Marine Corps. A flying officer in the Naval Reserver or Marine Corps thus is assured of a career in the service or, if he prefers, a splendid future in commercial aviation is open to him at the end of his four-year enlistment.

Ensign Samuelson's home is at 25 Varick rd., Waban, Mass. He graduated from the University of Maine with a B.A. degree.

CHRISTIAN SCIENCE

"Sacrament" is the subject of the talk given by Gay-lord W. Douglas at the weekly meeting of the Newton Rotary Club held Monday at the Brae Burn Country Club.

"No man can prophesy the details of what should or will be done after this war ends but everyone should start giving consideration now as to what must, in a general way, be done." The first point that Mr. Douglas made was that we must be world-minded. Due to transportation and communication improvements the world is now smaller and closer for the Lesson-Sermon Sunday, July 13, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massendweite, The Prophysical Church of Christ, Scientist, in Boston, Massendweite, The Prophysical Church of Christ, Scientist, in Boston, Massendweite, and the Hitlers to rise to power and not merely stop them when they have rised." We must covered the successive the prophysical Church of Christ, Scientist, in Boston, Massendweite, and the Hitlers to rise to p

"Sacrament" is the subject of the Lesson-Sermon Sunday, July 13, in all Churches of Christ, Sci-entist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mas-sachusetts.

The Golden Text is: "A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another. By this shall all men know that ye are my disciples, if ye have love one to another' (John 13:34, 35). Other Bible citations include: "And by the hands of the apostles were many signs and wonders wrought among the people; ... There came also a multitude out of the cities round about unto Jerusalem, bringing sick folks, and them which were vexed with unclean spirits: and they were healed every one" (Acts 5:12 (to;) 16).

The Lesson-Sermon also in-

ery one" (Acts 5:12 (to;) 16).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddv: "We walk in the footsteps of Truth and Love by following the example of our Master in the understanding of divine metaphysics. Christianity is the basis of true healing. Whatever holds human thought in line with unselfed love, receives directly the divine power" (p. 192).

Thus you have your fun - and frugality too. For all the time, whether one carburetor only is

working or both of them together, you get a more

efficient mixture than a single mixer can supply.

Thus you go farther on each gallon-owners report mileage figures as much as 10% to 15%

higher than on previous Buicks of the same size.

Which means, better go look at the engine that's

both thrill-packed and thrifty too. You'll find it

in a bigger, roomier, smarter-looking automobile that gives you more value per dollar than any-

thing else you can buy.

risen.

Secondly, Mr. Douglas said, we must develop confidence and cooperation in order to develop good will in the world. Good will alone is the basis for security and stability. Confidence, which should come from the understanding of the basic facts behind nations' actions, is a mental attitude and cooperation is the actual result of confidence.

Thirdly, we must build or re-

Thirdly, we must build or rebuild an association of nations with a common understanding. We had a glorious chance to do this after the last war and Mr. Douglas hopes we will not again miss such an opportunity.

Mr. Douglas who is a member.

miss such an opportunity.

Mr. Douglas, who is a member of the Springfield, Mass. Rotary Club, was introduced by Dr. Frank Clark of the Newton Club, a long time personal friend. Vice-President Matthew Ruane presided in the absence of President Charles A. Mecker who is now returning from the Rotary International Convention at Denver, Colorado.

There will be no regular meet.

There will be no regular meeting of the club next week as the joint outing of the Newton and Brookline Clubs will be held on Wednesday, July 16th at the Charles River Country Club.

Police News

A fine of \$50 for operating with an unregistered trailer was imposed against Lorenzo Tiberio, 21, of 21 Beecher terrace, Newton Centre in Newton Court on Monday. The police complaint against Tiberio arose following a collision caused by a trailer breaking away and hitting a U. S. Mail truck, operated by John Walsh of Derby st., West Newton. Walsh and Joseph Driscoll of Pearl st., Newton, who was riding with him were slightly injured.

Police testimony, presented by Inspector William H. Dowling, together with pictures of the vehicles at the scene, was to the effect Tiberio had borrowed plates for the trailer from a friend, while taking a boat from Newton Highlands to the Charles River in Waterdown. Judge David Nagle rendered guilty findings and filed charges of attaching a number plate not assigned to a vehicle, and operating with an uninsured trailer but gave a finding of guilty and the fine for operating an unregistered trailer.

Robert W. Noyes, 19, of Water-town was in the Newton Court on Monday charged with operating to endanger. The complaint was the result of an accident on June 5th in which Noyes, a taxi driver, was in collision with a machine operated by Julia McDonough of Main st., Watertown at the corner of Lowell ave. and Page rd. on June 5th. Sergt. Patrick J. King asked and was ignanted a continuance to July 15th by Judge David Nagle.

Mrs. McDonough, John J. McDonough and Daniel Collins of Baldwin, N. Y. were injured in the collision.

Decision was reserved in Newton Court on Monday after testimony was heard relative to the death of Daniel J. Danker, 70, of Brookline, retired dye dealer, at inquest proceedings conducted by Judge David Nagle. Danker was believed to have been the victim of a heart attack while driving along Commonwealth ave, on the of a neart attack while driving along Commonwealth ave, on the evening of May 29th. At Hammond st. the car struck a tree, Danker was found to be dead, and a granddaughter, Patricia Adams, 7, of Huntington ave., Boston suffered cuts and bruises.

Fines totalling \$35 imposed upon Harry M. Stoodley, 26, of 331 Lake st., Arlington, were suspended by Judge Donald E. Mayberry in Newton court last week Thursday. Attorney Bartlett Stoodley, brother of the defendant who was in court charged with refusing to stop and speeding, told the court that when apprehended by Motorcycle Officer John Fitzsimmons he had just been accepted after proposing marriage to his girl. Cupidis part in the incident was fortunate for the defendant.

the defendant.

In the Cambridge district court last week Thursday the first case of overspeeding in a motorboat was heard. William T. Russell, 23, of Boston, employed as a chauffeur by a Newton physician, was fined \$20 by Judge Arthur P. Stone. A charge of using the boat without authority was placed on file. He was arrested about 1 a. m. by Metropolitan police who saw him operating the boat of his employer. Dr. William T. O'Halloran of Walnut st., Newtonville, near the Cottage Farm bridge. Police said the boat was travelling at a rate of 25 miles per hour in violation of the 15-mile I'mit of the District Commission. They also alleged that Russell failed to get permission of the owner to take the boat.

55 YEARS AGO

Newton Graphic, July 10, 1886

In digging a hole for a fire alarm telegraph pole on Sargent st., this week, the ground was found to be perfectly dry to a depth of four feet. Such a dry spell is unusual even for this time of year.

There has been one satisfactory thing to Newton people about the Legislature just ended, and that is the admirable way in which the city has been represented by Messrs. Wood and Marcy. Both gentlemen have taken a prominent stand in legislative matters.

Newtonville item—What shall we offer thee to wet our parched lawns and gardens, gentle rain?

pond was burned shortly after 2 o'clock on Monday morning, being set on fire by boys. The loss is only about \$500 but this malicious destroying of property ought to be severely punished. The mill was owned by ex-Gov. Claffin.

There was an invasion of the Nelson Brown house, Highland ave., about 2:25 o'clock, fifth of July morning, headed not by the "Pied Piper" but by that happy Bird, whom the children all love so well. The front door opened, and in they poured, not only filling the hall but pervading the upper regions with melody of sweet sounds, horns, drums, pipes, and voices mingling in wonderful jargon; then they were gone, and peace, more sweet, reigned again.

The folly of interfering in a quarrel between husband and wife was again shown the other day. A lady rushed into the police station and implored an officer to go with her, as her brother-in-law was trying to kill his wife. The officer went, but found the husband in bed, and the wife said that there had been no trouble there.

The weather has been the chief opic of conversation the past has not been known here for three

o-operative Bank Mortgages Make Home Owning a Pleasure

Home owning should be a pleasure and never a burden to those who undertake it. For thousands of home owners it has been and continues to be much more than a pleasure because of Co-operative Bank financing. Those fortunate home owners are free from anxiety, knowing their mort-gages can never be called so long as the simple and rea-sonable conditions are met. They know that their mortgage sonable conditions are met. They know that these payments will never be increased . . . that every possible consideration will be given them in emergencies. No wonder home owning is a pleasure for them! If you want to enjoy home ownership, see the nearest Co-operative Bank named

al to Newton. Yesterday it was proposed that two wards of Newton, Wards 5 and 6, be taken out of the district as planned and included with the district now served by Cong-ressman Tinkham of Boston. Newton voters and citizens should object strenuously to this division of the city as parts of two congressional districts. For years we have witnessed the city of Cambridge being divided and the sooner it is possible and practical to return to or maintain the solidarity of a city in a congressional district the better it will be for the people of that district.

Include Newton as a part of the 13th District, but leave Newton as a unit.

Ragweed Hay Fever

If you are a sufferer from hay fever caused by ragweed pollen you are among many who look upon the annual community campaign to eliminate the innocuous plant from the city as a boon of inestimable value. Each summer the Newton Federation Women's Clubs through its Conservation Committee has organized a campaign in an endeavor to promote the health of Newton citiza

The local campaign against ragweed not only urges its destruction but seeks to familiarize all persons with its most common characteristics. In several of the village sections displays, charts, pictures, and specimens of the plant itself are being exhibited in order that all may know the weed and help to eradicate it. Many willing hands can accomplish much in a short space of time any other. many others.

A Record Month

Not only was the month of June a record month in the ssuance of marriage licenses but the past week topped all former six-day records according to officials of the city clerk's office. More than fifty licenses were issued last

Unquestionably the war and draft situation has had some effect upon the attitude of our young people toward marriage today. Also there is the fact that it is far easier to find employment at the present time than it was not so very long ago. And in addition we have the fact that for the past several vears there have been fewer marriages in proportion to the increase in population.

Today, with working conditions improved considerably we are now catching up to a more normal rate over an xtended period.

Day Is Success

The winner of the automobile, grand prize of the Newton Post American Legion field day at Norumbega park on July 4th was Edward T. O'Brien, 29, a toolmaker, of 42 Grenville rd., Watertown.

Helen F. Black of 371 Cherry st., West Newton, was awarded the bicycle and Mrs. Dorothy Wilkers of 32 Woodbine terrace, Auburndale, the table radio.

The field day this year was the

burndale, the table radio.

The field day this year was the most successful of those conducted by the post according to announcement of Senior Vice Commander Alvin D. Parker, chairman of the Field Day committee. Over \$700 was netted for the community service fund.

The program included several reels of moving pictures and was climaxed by a display of fireworks.

climaxed by a display of fireworks.

Commander George F. Hennrikus and John J. Foran assisted
Chairman Parker at the field. Junior Vice-Commander Francis P.
Frazier was treasurer of the committee and Arthur A. Hunt was
in charge of publicity. Other members of the post assisting included: Harold A. Bailey, Joseph A.
Campbell, Wallace L. Cox, Thomas M. Cummings, Patrick F. Connell, W Iliam A. Davidson, Ross E.
Dennison, Edmund T. Dungan,
Joseph P. Flynn, John B. Foley,

Newton Official Watches Bread And Bakery Sales

Finding several instances where one-pound loaves of bread from an out-of-town bakery were being wrapped in papers marked for one pound, four-ounce loaves, Sealer of Weights and Measures Andrew J. Prior on Sunday took steps to checkmate the practice of misbranding. Keeping watch on the bread and pastry situation due to the strike of bakery drivers the Newton official also found an instance of a Newton bakeshop running about an ounce shy of the full weight of a loaf. In all instances the bakery managements were co-operative in straightening out the situation.

Charles Weeden III, of 246 Wal Charles weeden III, of 246 Waitham st., has been elected secretary of the Sixth Form for the coming year at the Fessenden School, West Newton, Mass. He is the son of Mr. C. F. Weeden, Jr., and the grandson of Mr. F. J. Fessenden, Sr. He has also been elected a color officer.

Henry Arnold, of Vernon Court, has been elected secretary of the Fifth Form for the coming year. He, is the nephew of Mr. Leland Arnold.

Thomas Lamb, Jr., of 46 Pine Ridge rd., Waban, has been elected a Color Officer and will serve as Vice-President of the Grays for the coming year. He is the son of Mr. Thomas Lamb.

John Chase of 26 Country Club rd. has also been elected a Color Officer and will serve as Vice-President of the Reds for the coming year. He is the son of Mr. Russell P. Chase.

Dr. Hyatt To Preach At Newton Centre Services

Dr. J. Philip Hyatt will preach at the Union Service to be held in the First Baptist Church, Newton Centre next Sunday morning, July 13, at ten thirty. His subject will be "What Is Man?"

Dr. Hyatt, who has been Assistant Professor of Biblical History in Wellesley College, will take up a new position this fall as Associate Professor of Old Testament in Vanderbilt University School of Religion, Nashville, Tennessee.

Fined \$125 For Using Wrong Plates For Aluminum

posed in Newton Court yesterday by Judge Donald E. Mayberry on Edson O. Bent, Jr., of 128 Grasmer et st., Newton. Bent was in court on charges of using an unregistered automobile and of using plates on a machine other than that for which they were issued.

Rapid organization for the state wide aluminum salvage drive from well will 21 to 29 was effected this week by Lee Witney, state coordinator of the campaign for the Massachusetts Committee on Public Safety.

Witney made a swift flight by Patrolman Thomas B. Concan-

due to the strike of bakery drivers the Newton official also found an instance of a Newton bakeshop running about an ounce shy of the full weight of a loaf. In all instances the bakery managements were co-operative in straightening out the situation.

Watch has also been kept on the sale of stale bread, the local officials insisting that after 12 hours it becomes designated as stale products.

At Fessenden School

Assued.

Patrolman Thomas B. Concannon testified to securing information relative to the case and of finding Bent and the machine on Washington st., Newton, about midnight on June 27th. The defendant, who is an attendant at a gasoline station stated that he did not stop to think of the seriousness of the act at the time of borrowing the plates. He pleaded guilty, was fined \$100 for operating an unregistered machine. He was given until Sept. 6th to make payment.

Did you ever experience loss of your dog and then were unable to identify him because several dogs were similar to yours?

You no longer will have that difficulty, according to the National Bureau of Canine Identification. The bureau is working out a plan where every dog will be numbered. The number will be written on the dog's leg with an electric pen and recordleg with an electric pen and record

ing with an electric pen and recorded by the bureau.

The bureau will keep its records on small cards, as police files are kept. The card will contain the name of the owner, address, phone number, dog's name, breed, sex, location of the marking and the number itself.

The number used will be one of a serial, no two alike, with the serials running from A to Z, with each veterinarian having an individual serial

rial.
Other methods of identification are not foolproof, the bureau says. Nose-printing doesn't work efficient ly because when a nose-printed dog is lost every dog of its description has to be nose-printed to find the lost one with any degree of certainty.

Foundation Studies Cancer
The treatment of cancer is being studied at a foundation established at the University of Pennsylvania. at the University of Pennsylvania.
The university's school of medicine,
under the direction of Dr. John S.
Lockwood, will direct the program.
The foundation, known as the Foundation for the study of Neoplastic
disease will be supported by an insurance company

WALK WARILY

Suggestions from an Overworked Guardian Angel

11. STOP-AND-GO. Traffic signals are for foot as well as wheel traffic. Three times as many die walking against the signal as with it. So why bet your life against 3-to-1 odds? Wait for the "green", and even then keep a sharp eye to your left for turning vehicles.

PETER PUBLIC-A Stick-Up!

Fines totalling \$125 were im- July 21-29

State Drive

the first of next week.

"I am calling on every local chairman in the state," said Witney, "To make an all-out effort in this campaign. I am confident that all will respond. As a result Massachusetts will lead the nation in this, the first unified effort which every citizen of Massachusetts is called upon to join.

"This is important not only be-

"This is important, not only because of the aluminum which we shall gather for the national defense, but also as a demonstration of our ability to forget individual interests and join in the common cause."

Glycerine Adds Luster To 'Unfinished' Furniture

A new and effective way to treat infinished wood furniture is to give it a special finish that brings out all the natural beauty of the grain. This is accomplished by dipping a clean cloth in glycerine and rubbing the wood until as much is absorbed as possible. Next, go over the sur-faces with linseed oil and remove the excess with a clean cloth. The the excess with a clean cloth. The result is a soft, mellow finish, a rich warm glow that is the distinguishing feature of old maple.

Glycerine is of value, too, in refinishing antique pieces. If you have been fortunate enough to unearth an

been fortunate enough to unearth ar antique chest or quaint old rocking

antique chest or quaint old rocking chair whose beauty has been dimmed by several coats of paint, try this method of restoring it to its former charm.

Apply paint remover followed by applications of vinegar and water and rinse with clear water. Sandpaper until every vestige of paint has disappeared and rub thoroughly with steel wool. Next, go over the surfaces with a glycerine dipped cloth. The furniture is now ready for a coat of stain, lacquer or a linseed oil finish. The use of glycerine dipped could be sufficient to the surfaces of linseed oil finish. The use of glycer ine in this respect is valuable in pre venting drying, cracking and warp ing and since it is widely used in the manufacture of various furni-ture polishes, it can be depended upon to help keep the finished piece

College life has certainly changed, Southwestern university authorities agreed after studying the catalogues and bulletins of the school during the past century.
In 1856 students were required to

ooooooooooooooooooooo **Community Club**

In April 1919 a small group of earnest, thoughtful women, keerly interested in the progress of community life, organized a club which they dedicated to the village of Newton, and which they mend the Newton Community Club. Its aims were to help maintain many ph lanthropies in the city, and to relieve distress whenever possible, to promote friendliness and understanding with the fine women of foreign birth who live within its limits; to interest its members in the privileges of citizenship, and to present to them at club meetings a wide variety of programs of education, inspiration and entertainment. and entertainment.

Each year the funds needed for philanthropic purposes are raised

Chairman of the Committee of Physically Handicapped

systematically by sponsoring 2 rummage sales, a bridge party, and a series of food sales. Three hundred dollars of the smoney is used for scholarships. Every spring three outstanding and deserving girls are carefully chosen from the graduating class of Newton High school to receive it towards the advancement of their higher education. During the current year, in addition to this, gifts have been made to: Parent Education Course, Cancer Research, Jun or Women's Philanthropies, Yarn for Veteran Knitting, War Relief, Children's Christmas Party, Harvard Infantile Paralysis Commission, Massachusetts Forest and Park Association, New England Peabody Home, Community Chest, Massachusetts State Federaty, Massachusetts State Federaty

MRS. RALPH M. PATTERSON Chairman of the Committee of Preservation of American Antiques

tion, Motion Picture Research Council and the General Federa-tion Golden Jubilee Fund.

In recent years a penny collec-tion has been taken during each club meeting, and this money has been used for milk and hot school lunches for underprivileged chil-dren in Newton Village.

dren in Newton Village.

The Community Service group is especially active and far reaching in its work. In addition to the money allotted to it from the club treasury it has a special fund of its own. During the past winter, under the able direction of its chairman, Mrs. David Black, an Old-Time Minstrel Show was given, and the sum of \$68 raised for welfare. The members of this group purchased the material and made 24 pneumonia jackets for the Chelsea Naval hospital; they made Christmas bags jackets for the Chelsea Naval hos-pital; they made Christmas bags for disabled Newton veterans, and these bags were filled by other club members. They have sewed for the Red Cross and the Peabody Home, and they have knitted for soldiers.

Despite war and depressions the club has continued to progress under the leadership of its presi-dents, a succession of sincere and capable women.

Trout Gives Angler Lip

A cut-throat trout which just couldn't learn from experience provided a rare fishing thrill for two anglers in Yellowstone National Park last year. It also provided rangers with one of the tallest, though true, fish stories of the cur-

though true, fish stories of the current season.

The anglers, respectable citizens of Louisville, Ky., were A. W. Lee and H. O. Hurr. Messrs, Lee and Hurr had gone fishing in Elk Antler creek, near Canyon, when suddenly Lee had a strike which snapped his leader about five inches from the fly. The next day the two fishermen returned to Elk Antler creek, and there, swimming under the bridge, was the old cut-throat with Lee's fly in his lip. Watching him for a while, Hurr said boastfully: "Tomorrow I'm going back and get that old fellow."

old fellow. old fellow."

And, true to his prophecy, Hurr did go back—and did land the cutthroat, returning the lost fly to Lee.
The unlucky trout, 19 inches long and weighing 3½ pounds, was given to Ranger Naturalist Wayne F. Replogle, who entertained guests that evening at a fish fry.

Case No. 4271 Misc. THE COMMONWEALTH OF MASSACHUSETTS LAND COURT

ty of Middlesex and said Commonwealth; and to all whom it may concern.

The Cape Ann Savings Bank, a duly existing corporation having an usual place of business in Gloucester, in the County of Essex and said Commonwealth, has filed with said court a bill in equity for authority to exercise the power of sale contained in a mortgage of real estate situated in said Newton, and numbered 673 Centre Street, given by Charles F. Coyer and Marian A. Coyer, as tenants by the entirely to it, dated March 29, 1940, and recorded with Middlesex South District Deeds, Book 6378, Page 288.

If you are entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940 and you object to the foreclosure of said mortgage, you or your attorney should file a written appearance and answer in said court at Boston on or before the eleventh day of August 1941, or you may be forever barred from cla ming that a foreclosure sale made under such authority is invalid under said act. WITNESS, JOHN E. FENTON, Esquire, Judge of said Court this second day of July, 1941.

Air-Conditioned Bed Is Latest for Sleepy Folk

Invention of an air-conditioned bed has been announced at the University of Washington in Seattle

The bed warms a person in winter and cools him in summer. He dials his own weather for the night with a knob at the head of the bed. An air-cushion under him and a new form of air-blanket over him

makes this possible. The air-cush-ion affords, furthermore, another easily installed possibility.

If father won't get up when called, mother downstairs may press a button, and plop goes father's air-cush-

The inventor, Dr. F. K. Kirsten famous aeronautical engineer, esti-mates the new bed can be manu-factured for less cost then present high class beds.

The bed is a sheet metal box,

minus a top. Over this open space is stretched a fabric sufficiently airtight to form a good cushion when the box is filled with compressed

But the fabric is also porous enough to permit slow seepage of this compressed air, whether this compressed air, whether warmed or cooled, up and around the sleeper.

Asbestos lines the steel interior and an electric heating tube in the box warms the air. If cooling is wanted, it is only necessary to turn down the heater, for the air always comes into the box cooled automati cally by expansion

The compressed air comes from a basement tank, at 150 pounds per square inch. In the bed this pressure reduces to only one-quarter pound a square inch. The expansion autoratically and the square inch. sion automatically reduces the temperature to 52 fahrenheit.

The bed was designed specially for use in hotels an large establishments.

Then you're eligible for a civil service test to be given for the post of Mercer County Farm Supervisor in New Jersey.

Thieves Loot Liquor Store

Bold thieves performed their refarious work almost in the shadows of the Newton police headquarters building on the eve off the 4th when they looted the liquor store at 1389 Washington st., West Newton. Within sight of the headquarters, a stone hurled through the window of the store provided a means of entrance. It is believed that exploding firecrackers must have prevented the sound of the crashing glass being heard. Crawling through the opening the thieves stized bottles of liquor from the shelves. As far as could be estimated it is believed that eight quarts and two pints were stolen, valued at \$50. The intruders also tampered with the cash register but there was no money within it.

it.
The proprietor, Charles E.
Hodges of 3 Churchill st., Newtonville, told police he had locked the store at 11 p m. The break
was discovered about 4 a. m. by
Sergt. John A. Sheridan and Patrolman Alexander Zilinskis.
Sergts. Richard L. Bannon and
Patrick J. King investigated the
case.

Sergeant Michael Sullivan and Sergeant Michael Sullivan and Inspector Joseph B. Lyons took over the investigation and Saturday night had obtained information which led to the arrest of James L. Ellis, 20 of 208 Cherry st., West Newton, and Herbert Mack, 18, of 179 Hicks st., West Newton, both colored.

They were arraigned in New-

Newton, both colored.

They were arraigned in Newton court on Monday on charges of night time breaking and entering and larceny. Mack, free on \$1,000 bonds, was represented by counsel who waived reading of the complaint, and artered set. counsel who waived reading of the complaint, and entered a not guilty plea. Ellis, still in custody, pleaded guilty, and bonds were set at \$1,000 under continuance until trial on July 15th for both de-

Only Municipal Weather Bureau in United States

A municipally operated weather bureau, believed to be the only one in the United States, now is in its seventh year of successful operation in San Jose, Calif., the International City Managers' association has an-

The city took over the bureau in 1933 when the U. S. weather bureau decided to close its San Jose bureau because of a reduced appropriation. The city council arranged for the The city council arranged for the federal bureau to leave its equipment and records in San Jose to be operated and maintained by the city, which also retained the government's meteorologist.

The station remains a co-operation with the federal services and the services are services as a co-operation with the federal services.

The station remains a co-opera-tive unit in the far-flung network of the U. S. weather bureau. In re-turn for furnishing instruments, books and supplies the government receives periodic reports and rec-ords from the San Jose station, which is the only bureau in the coastal section between San Francoastal section between San Francisco and Los Angeles that collects a complete 24-hour climatological

The municipal station and the U.
S. weather bureau co-operate also in issuing frost and storm warnings so vital to the prune and apricot grow ers of the Santa Clara valley, of which San Jose is the leading city. Finally, the San Jose bureau pre-pares daily weather charts on the basis of information broadcast by the government's San Francisco of

Probably most important to the city are the records the bureau maintains, the association said. The data aided the city in securing the \$10,000,000 aeronautical research laboratory of the National Advisory Committee for Aeronautics.

Tree-Ring Patterns Date Prehistoric Artifacts

To the uninitiated the methods by which archeologists determine the age of the various things they dig up are often mysterious, especially when the material antedates civili-

when the material antedates civilization's written records.

One of the methods is dendro chronology—or the use of tree rings as an archeological calendar—which has been successfully applied in dat ing prehistoric artifacts excavated from sites in the American South

The method originated with an astronomer who very much wanted weathen records extending back much farther than existing statistics. This astronomer, Dr. A. E. Douglass, director of the Seward observatory, University of Arizona at Tucson, required weather records that would tell the relation between sun spots and the earth's atmosphere.

that would tell the relation between sun spots and the earth's atmos-phere.

In his need, he hit upon the fact that trees add a ring for each year of growth and that these rings vary of growth and that mees rings vary according to the moisture supplied to the trees by rain and snow. Wet years produce broad rings, and dry years narrow rings.

By careful study of hundreds of these trees, Dr. Douglass has de-rived an unbroken succession of tree-

rived an unbroken succession of treeof Mercer County Farm Supervi-tor in New Jersey.

Oh, yes—the pay? \$1.800 a year! country for more than 1,200 years.

-Congress

(Continued from page 1)

towns of North Andover and Mid-dleton. dleton.

Congressional minority leader Joseph W. Martin, Jr. (R), of Attleboro, will gain the towns of Hopedale, Mendon, Wellesley, Natick, Stoughton, and Dover, but will lose Ward 6 of Fall River and the town of Westport to Congressman Charles L. Gifford (R) of Barnstable. These are the only expected changes in those districts.

Considerable Cutting

Considerable Cutting
The present Ninth District will be considerably cut up as Cambridge will go to Flaherty, Newton to the district of Richard B. Wigglesworth (R) of Milton, Brookline to the Boston district of George Holden Tinkham, veteran G. O. P. Congressman from a Democratic district; and Waltham, Weston, Wayland, Sudbury, and Framingham to the district served by Pehr G. Holmes (R) of Worcester.

Practically a pay district will

served by Pehr G. Holmes (R) of Worcester.

Practically a new district will be made of that served by Arthur D. Healey (D) of Somerville, consisting of Wards 4, 5, and 7 of Somerville, North Reading, Reading, Stoneham, Melrose, Lynnfield, Wakefield, Saugus, Medford, Malden and Everett. It has been charged that this district has been made into a Republican stronghold in order to provide an opportunity for Senate President Angier L. Goodwin, of Melrose, to run for Congress.

The new district of Flaherty,

The new district of Flaherty, who loses Chelsea to Connery, will consist of Wards 1, 2, part of 3 and 22 of Boston, all of Cambridge, and Wards 1, 2 and 3 of Somerville.

Watertown Shift

Watertown Shift

The much discussed district of Congresswoman Edith Nourse Rogers (R), of Lowell, who several times has expressed her opposition to any change in the make-up of the district, will lose the communities of Melrose, Stoneham and Reading, but will gain in return the G. O. P. towns of Watertown, Lincoln and Boxboro.

To the communities served by Oak Hill Congressman Bates will be added Waban Wards 2 and 3 of Lynn and the town of Andover.

U. S. Makes Newsprint As War Affects Supply

Continuation of the current decline in United States imports of overseas newsprint and pulp is putting the burden of supply on United States and Canadian producers. However, while pulp imports have

sagged sharply in recent months, United States converting mills built up substantial supplies during the closing months of 1939 and during the first two months of 1940. Thus, while these built-up stocks are being eaten into, expansion of United States producing capacity and imports from Canada are considimports from Canada are considered sufficient to meet United States requirements.

Meanwhile the spread of the European war to the north which shut off Scandinavian supplies of both pulp and newsprint, served to elim-inate pulp imports from these coun-tries, which last year amounted to about 15 per cent of the total pulp consumption and 9 per cent of the total newsprint consumed in the United States.

In 1939 the United States imported 1,388,000 tons of all grades of pulp, which represented 15 per cent of this country's consumption. Fin-land, Norway and Sweden together supplied 94 per cent of all grades of pulp imported by the United States last year with the remaining small portion coming from other sections of Furone. Last year the United portion coming from other sections of Europe. Last year the United States imported 310,383 tons of newsprint or 8.8 per cent of the con-sumption total for 1939.

For the first six months of 1940 the United States imported 28,372 tons of newsprint as compared with the 159,549 tons imported from overseas in the first half of 1939

Removing Fingermarks Before trying to remove the fin-germarks on woodwork by polish-ing, go over all surfaces to be cleaned with a solution of vinegur and water. Immediately follow with polish and rub until dry. The marks ill quickly disappear.

III General Duties of an Air Raid Warden.

Raid Warden.

The Air Raid Warden is the link between the Report Center and the public. He is "the shepherd of his flock," knows all, sees all, does all, and protects all. He acts before, during and after any attack from the a'r. He remembers the Group before the individual. A. Before the Raid

 A warden should have a complete knowledge of the organization of which he is a member by being trained to cooperate with allied services. Knowing to whom and how to give the necessary information.

Being famil ar with: All streets in his area, and adjacent localities. b. Location and use of fire, police or signal boxes.

c. Any permanent or tempora-ry obstructions. d. Location of: Hydrants, Water mains and gates, Gas mains and shut offs, high voltage

drug-Doctors, nurses, druggists, first aid stations. f. All means of communica-

g. All persons I'ving in every part or house in his sec-tion, cripples and inva-lids. Build up an accept-ance of himself to gain respect.

Other duties a. Have a deputy prepared to take his place.

take his place.
Prevent possibility of fire
by setting an example in
cleaning his own premises, attic, cellar, garage,
removing debris. Nothing is so contagious as a
good example. Be a Good
Neighbor! Give helpful
information concerning
storage of inflammable
material. Point out the
dangers of obstructions.
Above all avoid being officlous!

Prepare equipment, inspect it, and see that it is ready for use!

d. Teach proper methods for blackout, and shelter construction. Be able to identify various types of bombs, and know what to do when they ing gun. Then came the breech loading gun and about 30 to 40 years

Be able to identify gases used in warfare, and how to handle emergency gas casualties, and be prepared to render emergency first aid.

B. Action During Raid

Notifies Report Center of what has or is taking place. Reports damage, type of at-tack, and kind of help need-ed.

Keeps public off the street, guides them to safety. 4. Performs police, and fire "first aid" duty until relieved by those divisions. Checks blackout when neces-

sary.

Allays fear and panic. Patrols to locate bombs. Keeps constantly in touch with all parts of his post. Warns of gas or unexploded bombs. (Note: Not warden's function).

Keeps streets clear for rescue squad or any other divisions coming into section.

Renders first aid to injured when there is nothing else to do.

C. Action After Raid

Keeps public off the streets until all is safe. Investigates damaged build-ings for safe use.

Not fies Report Center of needed services: Demolition, Decontamination, Medical,

Looks for unexploded bombs, shells, fallen aircraft, and strangers. Warns of the presence of gas

Protects property until auxiliary police arrive. Builds up morale.

Two False Alarms Within An Hour

Twice within an hour on Tues day evening false alarms were pulled. The first call was from Box 58, at Beacon st. and White Oak rd., Waban, at 11:13 p. m. The second was from Box 67 at Lakewood and Norman rds., Newton Highlands, at 12:11 a. m.

Box 2411 at Adams and Wash-

Box 2411 at Adams and Wash ington sts. was rung in on Tues-day afternoon a few minutes be-fore six when overheated brakes caused a fire in the beachwagon of Albert Smith of Orange, Mass.

30 Bullets Per Minute

From Semi-Automatic A new semi-automatic rifle is a firearm intended for use by the in mrearm intended for use by the in-fantry soldiers of any country and can likewise be used by the cavalry, marines, mechanized units, airmen and civilians.

Semi-automatic means that it is not a full automatic as is the case with machine guns. The latter fire a continuous stream of bullets so

a continuous stream of bullets so long as the trigger is held back and cartridges are fed into the gun mechanism. Machine guns weigh from 18 to 40 pounds depending on the make and require from three to nine men to operate and handle ammunition, etc.

The semi-automatic weighs the same as the ordinary army rifle, about nine pounds. One shot is fired with each pull of the trigger. The effective strength of any army in action is dependent largely on their

action is dependent largely on their fire power and it is therefore of prime importance that the infanprime importance that the inflan-try should be equipped with the most modern rifle available. The evolution of rifles during the dast 100 years has been amazingly slow. The first was the muzzle load-

ago came the magazine rifle Real Eyelashes on Bust

The bust of Sam Diego de Alcala, on view at the Museum of Modern Art in New York, as part of the exhibition of Mexican art, has real eye lashes and real teeth. Greation of the bust evidently was not so much a work of art by the unknown sculptor, as it was an effort to make painted wood resemble flesh and

The Mexican artist who created this bust was no pioneer in piecing out portrait busts with human hair and teeth, as the idea originated in Spain. It was customary for the in Spain. It was customary for the sculptor to save his own or his friends' eyelashes until he had a set which were the right size for the work on hand. Sometimes they were taken from a dead person, as eyelashes will stand the test of time without disintegrating.

San Diego, who lived in the Fiteenth century, performed herole

teenth century, performed heroic work for the sick during a time of pestilence in Rome. It was for this work that he was canonized in the year 1588 A. D., about a hundred years after his death.

Auto and Trolley Collide—One Hurt

The collision of an automobile and a trolley car at Cleveland circle on Tuesday resulted in injuries to a Newton Centre man and the shaking up of 20 passengers aboard the Boston Elevated Street Railway car. The injured man, Dionysius E. Alexander, 50, of 684 Beacon st., Newton Centre, was taken to the Peter Bent Brigham Hospital where his injuries were described as internal but not ser'ous. He also had cuts to his head and face.

Police believe that Alexander

head and face.

Police believe that Alexander mistook a level place in the El reservation for a crossing and drove his auto into the side of the trolley car. He was hurled from his car by the impact but the car itself was dragged nearly a hundred feet and wedged between the car and an iron pole. tween the car and an iron pole. Traffic was jammed for three quarters of an hour before a wrecking drews could extricate the demolished auto from the outbound rails.

Fined \$50 For **Drunken Driving**

In the Newton district court on Saturday, George O'Mara, 25, of 11 Clark terrace, Newton, was fined \$50 on a charge of drunken driving and \$5 for drunkenness. He was arrested the holiday afternoon after his car had struck a wire fence on Hawthorn st. He pleaded guilty to both complaints. He was arrested at 5 o'clock by Sergeant Leehan and Patrolmen Dungan, Marden, McHugh and W. Jenkins.

Newton Man Named Chairman of Survey Group

Charles G. Smith of Newton was named chairman of a committee to conduct surveys in various cities and towns towards the eventual setting up of air raid alarm and protective alarm systems. He is signal engineer with the Garnewell Company. The committee, which also includes two Waltham residents, was appointed by Gen. Daniel A. Needham, chairman of the Mass. Committee on Public Safety. The committee will work with Colonel Leapman, a retired British army officer who has been in this country nearly two months in an advisory capacity.

The most effective of all appeals on the radio is one to the self-esteem of the listener, three Dartmouth teachers have demonstrated in an experiment on the student body. The strength of other appeals, in order, was as follows: Prestige, health, universality sex-efficiency, each universality, sex, efficiency, economy, beauty, safety and comfort. **CLASSIFIED ADS**

A Proclamation

Our National Government is appealing to all citizens for assistance in the collection of aluminum during the period from July 21 to July 29. The Government is asking for the donation of aluminum ware and utensils that can be spared from our households without being replaced.

Here in Newton a group of men and women from each village will go from house to house on Thursday, July 24th to make the collections. If a collection is not made at your home on that date the aluminum may be taken at any time from July 21 to 29 inclusive to the Blacksmith Shop at the Crafts Street City Yard, just off Washington st.

This is only one of an increasing number of tasks which are being undertaken voluntarily by our Newton Committee on Public Safety, assisted actively by an ever increasing number of Newton citizens. May we express our appreciation of the unusually efficient work being done in this City in all matters of Civillan Defense by our active cooperation in all we may be called upon to do.

PAUL M. GODDARD,

Mayor.

City Stables To Be Main Receiving Station

Receiving Station

Newton will participate in the national drive for aluminum for defense needs next week Thursday when the local Committee on Public Safety directs a house-to-house canvass among Newton residents. Mayor Paul M. Goddard has issued a proclamation asking all Newton citizens to do their part in aiding in the drive by donating all aluminum ware and utensils which can be spared without being replaced.

The city has been subdivided into districts with a chairman for each section. Volunteer workers will make calls and assist in the collection. Although various sections of the city may have local receiving points. The central receiving station will be at the Blacksmith Shop of the city street department on Crafts st., Newton-ville. Arrangements have been made for the storage of the aluminum articles to be contributed.

The period from July 21st to 29th has been set aside for national collection of the metal and the house-to-house canvass has been designed as a measure of promoting collection of the materials from persons willing to contribute but unable to deliver it.

The local collection drive will be under the general direction of John M. Bierer, chairman of the Newton Committee on Public Safety. Village chairmen have been designated as follows:

Newton Corner — Theodore R. Lockwood. (It has been announced that the Hubbard Drugstore will serve as a local receiving point for this village for persons wishing to leave aluminum utensils there.)

Newtonville—C. Raymond Cabot.

West Newton—Albert C. Blunt, Auburndale—Walter R. Ames

Newton Lower Falls—Howard
W. Lewis.
Newton Upper Falls—John J.

Waban—Roy S. Edwards. Newton Highlands—Kenneth S

Annual Dinner And Outing at Norumbega Park

Children from the New England Peabody Home for Crippled Children were guests of the Newton Kiwanis Club at their meeting last Tuesday. The children were entertained at luncheon at the Newtonville Women's Club, and were then taken to Norumbega Park to spend the afternoon as guests of the Kiwan'ans. Arrangements for this meeting were made by the entertainment committee of the local club, consisting of Wilfred Chagnon, C. J. Hutchings, Frank Hurtibis, H. M. Morgan, George Van Buskirk, and A. C. Bellinger, chairman.

chairman.

The New England Peabody
Home for Crippled Children is one
of the institutions partially supported by the local Kiwanis Club
as part of their program of aiding
under-privileged children. Dr. Herman Norton is chairman of the
Under-Privileged Committee of
the local club.

A year or two ago New England Kiwanians contributed over \$800.00 to the support of the worthy institution, which is supported by private charitable donations. Seventy-two children are at the home at the present time, being taken care of by twenty nurses, and attendants, headed by Assistant Superintendent Hope Assistant Superintendent Hope Wheelock, and Mrs. Nellie S. Smith as Superintendent. Children range in age from two to twelve years.

twelve years.

Part of the luncheon program was comprised of several songs sung by the children, group songs by the members, and special exhibit on dancing by Miss Lillian Huston and Archie Bellinger.

Paul F. Shannon of 747 Beacon st., Newton Centre, was inducted as a new member of the local club.

William F. White, who is acting as chairman of the Program Committee during the absence of George Van Buskirk who is on his vacation, announced that the New (Continued on page 10)

Camp Day Busy As New **Group Arrives Making Record Total of Campers**

Program In Full Swing As First Period Ends

As First Period Ends

Forty-two boys left camp yesterday at the end of the first three weeks period and their places were promptly filled by fifty-nine incoming boys increasing the enrollment to one hundred and seventy-four which is the largest group ever answering the roll at Camp Frank A. Day. To meet this increase it was necessary to set up a new tent in the Junior division rather than use the oldcabin in the center of the camp formerly used for the overflow.

About fifteen of the boys who left sought a place in the camp for an additional period, but it was impossible to accommodate a larger group. The acreage of the camp is limited, and a camp of two hundred boys would be beyond the limits fixed by Director Johnson and the Camp Committee. Only the purchase of additional property would answer the demands of these many boys.

On Tuesday night a "going-away" party was held in the Assembly Hall for the boys who were leaving. The feature of the party was a two hour moving picture show in technicolor suppplied to the camp by Mr. George Huden, father of Ray and Bob Huden of the junior and midget divisions respectively, and an executive of the New England Telephone & Telegraph Company. One of the outstanding pictures of the past few seasons was shown with the subject a "western," companion pictures were a travel and a comedy.

The boys who arrived in camp

ody.

The boys who arrived in camp were for the most part veterans of past seasons, but there were a number who were entering Camp Day for the first time, and in the past few days received a welcome which soon made them feel that they were also old members of the camp family returning to accustomed haunts. The newcomers were: Paul Bellefontaine, Newton Burnett, Robert Carr, Don Cashin, Jack Clark, Robert Connolly, Russel Cox, R. Hurst, Wil-

Secretary of the Newton Y, Mr. Sam Johnson, delivered the chapel talk taking as his topic, "Your Picture Gallery." Depicting each boy as a possessor of a picture gallery, to which the boy refers as memories, Mr. Johnson called on each boy to look into his own individual picture gallery. There will find many pictures in various forms of development; some that are clear, and yet many that are blurred and barely seen. The good pictures we all try to keep in our gallery, but the bad we try to remove and fail. There are others which show signs of having been smudged through attempts to fix to our liking. "Fill your gallery with pictures that you will want to show to others, and to look at repeatedly yourself," he warned. "These are the pictures that will make you ashamed when you look at them."
"Camp Day offers you a splenfully passed the camp canoe ter were members of the expedition.

First Swim Meet of Season

First Swim Meet of Season

On last Saturday afternoon the first of three scheduled swim meets of the season was held on the camp waterfront with heavy entries and close races marking the junior division competition. Each entry was a member of a League team which served to make the meet a greater success. In the senior division the Yankee team led by the high scorer of the meet, George Grant, scored a 41 to 28 victory over the Humphrey-led Red Sox. Dave Whitmore divided honors with John Wathen (Continued on page 10) look at them."
"Camp Day offers you a splendid chance to add fine pictures to your gallery." Mr. Johnson continued, "pictures of work welldone of friendships made and of happy days spent out in the open. Every fine picture we add to our gallery is like laying up treasure in heaven." in heaven."

He concluded his well-received talk with a forceful appeal to his listeners to follow in the way of the Master, so that all will live lives that are honest, clean and fine; so fine that if ever a spotlight is turned on the picture galleries of the campers, each will be proud to stand in the open and say, "You bet these pictures are all mine, and I wouldn't give up any of them."

Urges State Garage at **Upper Falls**

Governor Asks Purchase Of Saco-Lowell Shops For \$150,000.00

In a message to the State Legislature yesterday Governor Saltonstall recommended the purchase of the Saco-Lowell Shops on Needham st., Newton Upper Falls, for use as a state garage at a cost of \$150,000. The message, describing congested conditions in the present state garage on D st., South Boston, stated that it would be difficult to make an addition to the present quarters. The Saco-Lowell shops cost \$1,500,000 to build and can be put into shape for use by the state at about \$80,000.

Lowell shops cost \$1,500,000 to build and can be put into shape for use by the state at about \$80,000.

Some weeks ago the House Ways and Means Committee eliminated a similar item from the general budget.

The state garage would take approximately one third of the land of the Saco-Lowell Shops and several of the buildings including the large Foundry building and two of the smaller structures. The entire Saco-Lowell shops and several of the buildings including the large Foundry building and two of the smaller structures. The entire Saco-Lowell sproximately \$200,000 assessed value.

The Governor's message reads as follows:

"During the past two days I have had many conferences with the commissioner of public works concerning the garage facilities for the department. At the presence of the department of the presence of the department is needs. Scarcely a week goes by, the commissioner informs me, without narrow escape form serious injury on account of this crowded condition. Recently a truck slids from its props and crashed into a bench and a man just escaped extremely serious injury.

"In my opinion this condition must be improved in one way or another. To build an addition to the building owned by the Saco-Lowell Shops located on Needham st. in Newton. The commonwealth. To relieve this congestion, this danger, this waste of efficiency, the department wishes to purchase a building owned by the Saco-Lowell Shops located on Needham st. in Newton. This can be purchased, in the Commonwealth can money and equipment is wasted because of the length of time it takes to get to the garage and in the Commonwealth can money and equipment is wasted because of the length of time it was to get the lower of the search of the commonwealth of the proportion of the search of the commonwealth of the proportion of the search of the commonwealth can money and equipment is wasted by the search of the commonwealth of the proportion of the search of the commonwealth of the proportion of the search of the commonwealth can money and equipm dled by canoe to Lake Wickaboag, fifteen miles distant, while those who remained behind lit their fires within the camp confines.

It was a great adventure to leave camp and wend their way to unknown land. Fortified by the knowledge that Chef Nils Johnson had prepared a supply of provisions that would fulfill all food wants, and aided by the presence of counselors who were familiar with camping in the open, afternoon, and arrived at a site selected for its likeness to Camp Day property late that evening. Supper was soon under way over the hastily built fires, and the counselors allowed the boys a swim before eating.

Journeys to nearby points filled the remainder of the evening, and then the boys gathered about a central campfire to listen to stories, and sing the old and well-known songs of American life. I There was sleep, but not in the manner of the camp for strange noises kept all on edge until Nature called to the weary bodies to fall into slumber. The return lourney was made in mid-morning, and to the delight of the wanderers the boys who remained behind were lined up on shore to bid them a happy return.

The counselors who were for wanderers the boys who remained behind were lined up on shore to bid them happy return.

The counselors who led the canno hikes were: Messrs. Eugene Phenner, Ed Parsons, Max Kraus, Don Chalmers, Bob Desautels and Warren Fleischner. All boys of tents, in the senior division and those of Tents 11 and 13 in the jumior division who had successfully passed the camp cance test were members of the expedition.

First Swim Meet of Season

On leave the first was a great adventure to leave the first swim Meet of Season of the sound and a man just escaped extremely serious sinjury.

In my opinion this condition must be bench and a man just escaped extremely serious injury.

In my opinion this condition must be improved in one way or the build an addition to the bench and its for build an addition to the Dst. garage will cost. I am ofter The development in that locality. At the approximat

"I am informed that it will cost approximately \$80,000 more to alter, equip and heat it. When this is accomplished the department will have sufficient space and equipment for its needs for as long a time as can be foreseen.
"In addition, there may be space in which other cars belonging to the Commonwealth can be placed. The Commonwealth owns over 2000 cars, not including trucks, and the garaging of them is one of the expensive problems upon which Commissioner Monahan and I have been working for the past two years.
"I therefore recommend that a sum sufficiently large be appropriated from the funds of the Public (Continued on page 10)

Anti-Ragweed Drive Continues The campaign to eliminate ragweed in the Newtons being carried on by the Newton Federation of Women's Clubs through its Conservation Committee has been distributing information and bulletins regarding the noxious weed. The committee in charge of the campaign includes Mrs. Edward B. Gray. chairman; Mrs. John Brown of the Auburndale Woman's Club; Mrs. Raymond Capabianco, Newton Upper Falls Womer's Club; Mrs. E. A. Gay, Newtonville Woman's Club; Mrs. C. H. Sears, West Newton Women's Educational Club, and Mrs. Philip H. Germain, Newton Community Club.

Fisherman's luck smiled on young Bliss Ames, son of Mr. and Mrs. Warren Ames of Waban, at Long Lake, Harrison, Maine, last week when he pulled in a 14-inch bigmouth bass from the dock at Camp Zakelo, where he is spending the summer. Large numbers of campers were at hand to cheer him on in his rugged struggle with the "sea monster," which he captured with a light casting rod. Young Ames ate the fish for supper after the camp chef had cooked it for him, while envious tablemates looked on with watering mouths.

Names of 349 Added to Lists

Preparatory to the drawing for the nat'onal lottery of the draft act in Washingon today officials of the three Newton Selective Service Boards have allotted serial numbers to the 349 registrants whose names were added at the July first listing of youths who have become twenty-one since the original draft date last October. In the listing on July first there were 301 names added at city hall with the total figures being increased by another 48 names when names of persons registering in other towns were reported. Each of the three local boards

ing in other towns were reported.

Each of the three local boards subsequently met and by lottery selected serial numbers for the new registrants. Then each board, depending upon certain key numbers determined where the new names would be placed into the original draft listings. For example Draft Board number 114, with 102 names in the new listing will insert a new name from the July first listing after every 12th name in the original draft order, after the order of serial numbers is determined in the master lottery in Washington today.

Newton Families

THE STANTON L. BURGESS FAMILY

Newton has been the home of the Stanton L. Burgess family for 14 years, and five of these have been spent at 343 Highland ave., West Newton. Summers find them in Wolfeboro, N. H., on the shores of Lake Winnepesaukee, and since yachting is Dr. Burgess' chief hobby, after medicine, a 30-foot launch is one of the family's most cherished possessions.

During the year Mrs. Burgess is busy directing the program of the Newton Girl Scout troops. In addition, she is a member of the board of directors of the Com-Mrs. Walter C. Cook of Newton.

Mr. and Mrs. Benjamin Sturtevant Foss of Brookline have announced the engagement of their daughter, Miss Barbara Foss, to John Bright Garrison, son of Mr. and Mrs. William Lloyd Garrison of 65 Sterling st., West Newton. Miss Foss was graduated from Dana Hall School in 1936 and from the Garland School and the Erskine School. She is a grand-daughter of the late Governor and Mrs. Eugene N. Foss of Jamaica Plain. Mr. Garrison attended the Country Day School and was graduated from Harvard in 1931 where he was a member of the Hasty Pudding D. U. and Varsity Clubs. He is also a member of the Harvard Club of Boston. The wedding will take place in August.

a drought has been experienced at this particular season as that which has just ended. (Total rain-fall in June was 1½ inches). For the present month to the 15th only rainfall recorded is 5-100th of an inch on the 10th. Newton Graphic, July 14, 1916 Greatly exaggerated reports of infantile paralysis. No danger of dread disease in Newton. Two children ill, one dying, doctors unable to confirm poliomyelitis as Brooks ave. is growing—a sec-nd house for a companion to the

Mr. E. G. Johnson has gone to Maine for a carload of milch cows, which he will bring here for sale. Seven cent fare predicted for M. & B. street railway if employee demands for higher wages are met.

No less than seventeen wagon loads of beer were seen to pass up one of the streets of the vil-lage last Friday afternoon. Captain A. A. Savage retires after 28 years of service with Newton Fire department.

PEACE WITHOUT VICTORY

The city fathers have used a few planks and spikes on the bridge the past week and botched up the bridge so it will do a little longer. We do not know whether they are ashamed of it or not, but the people hereabouts are. Camp Frank A. Day officially opened at Brookfield, Mass., under directorship of William MacPher-son. Nine campers enrolled for

There are from twenty to thirty small craft on Crystal Lake. The fleet includes canoes, dories, keel boats, with and without mast and sa'l. Bathing according to the city regulations is enjoyed by scores every warm day. The best beach and footing is on Farnham's shore where the bottom is sandy and the slope gradual. The temperature of the water this midsummertide is 76° at that point.

Complaints have been made that no dipper is to be found at the drinking fountain in the (Newton Highlands) square. Are we to wait until an order is offered to the City Council, to obtain one? (Since writing the above, we understand that the Executive Committee of the Village Improvement Association has provided the desired article for the thirsty ones).

Charles Davis has sold out to Frank Kampton. We shall hope to have our boots and shoes re-paired with promptness hereafter.

We are in doubt which is the greatest evil on Sundays, bar-ber shops or running trains. The former do not disturb the church-goer while the latter are most decidedly annoying to him.

By the procrastination of the Highway Committee in the reconstruction of the square, an accident happened to Fife's Express last Saturday, which would not have occurred had the highway been at a proper grade. H's express wagon upset, doing much damage to a hogshead of molasses. The loss should be borne by the city, and the next report will be of an accident at the corner of Lincoln and Woodward sts., from the same putting off, from time to time, what requires prompt attention.

Newton Graphic, July 17, 1891

Newton Graphic, July 17, 1891
A supposed mad dog was disposed of in a novel way by Mrs. Harrigan of Cook st., last Wednesday. It was a bull terrier and he made a snap for her skirts just as she was entering the barn. She slid the door to, pinning the dog between the door and the casing Reaching behind her she secured a pitchfork and laid out the canine with a few well directed blows with a few well directed blows

ine with a few well directed blows over the head.

Miss Fannie Fogg invited her friends to see the opening of a night blooming cereus last Saturday night. Some of the flowers measured 12 inches across.

Details of a new plan to abolish the grade crossings of Newton are published. The plan proposes the erection of solid masonry walls, 18 feet high, from Faneuil to Riverside, filled in with gravel and the tracks laid upon it. Roadways will be arched over and all overhead bridges dispensed with. The plan of the elevated road seems to meet with general favor although the costs have not been determined.

The B. & A. declines to grant the petition for cheaper ten ride tickets to Newtonville.

The posts in front of city hall have been consigned to the woodpile and it is now possible to enter the walk from the concrete three either walk from the concrete three walk from the concrete walk from the concrete walk from the concrete walk from the concrete walk from the co

The posts in front of city hall have been consigned to the woodpile and it is now possible to enter the walk from the concrete three

Another important real estate scheme is on the tapis. A. J. Fiske has purchased a section of the old Wheeler estate on Watertown st. and contemplates the erection of a number of pretty dwell rags that can be offered at rental ranging from \$30 to \$25 per month. It is a step in the right direction, as there is a demand for that class of houses, and a reasonable prospect for a fair return to the project or of the enterprise.

J. J. Noble has improved the inside of his store by a new coat of paint.

ANNIVERSARY

KENNISON-MONCRIEFF

KENNISON—MONCRIEFF
Miss Marjorie H. Moncrieff, daughter of Mr. and Mrs. R. A. Monchieff of 47 Tarleton rd., Newton Centre, was married to Hugh Foster Kennison, son of Mr. and Mrs. Karl R. Kennison of 28 Byfield rd., Waban at eight o'clock on Saturday evening, July 12, in Trinity Church, Newton Centre. Rev. Dr. Walter O. McIntyre performed the ceremony and a reception followed at the Woodland Country Club.

The bride was given in marriage by her father. She wore a gown of ivory satin with tight bodies and full skirt and a full length, veil caught to a coronet of lilies of orchids, white roses and sweet of rechids, white roses and sweet of rechids, white roses and sweet peas. Miss Mary Lou Vincent of New Rochelle, New York was the maid of honor. The bridesmaids were Miss Jane Williams of Maplewood, N. J., Miss Margaret L. Snow of Saugus, Miss Geraldine Graves of Newton Centre and Miss Jean Kennison of Waban. They all wore gowns of powder blue delphinium and yellow roses.

George F. Kennison, brother of the groom, was the best man. The ushers were Dr. M. Bruce Fisher of Kingston, R. I., Raymond Ellis of Bloomfield, N. J., James Coyne of Harrisburg, Pa. and Hilmen Byo of Newton Centre.

On their return from a wedding trip to Lake Champlain Mr. and Mrs Kennison will reside in Mrs Kennison will reside i

Letters To The Editor

of Newton Centre.
On their return from a wedding trip to Lake Champlain Mr. and Mrs. Kennison will reside in Bloomfield, New Jersey.
The bride was graduated in June from Wheaton College. The groom attended Wesleyan University and was graduated from Massachusetts Institute of Technology in 1939.

BROPHY-FURBUSH

To the Editor:

It seems to me that the letter by Mary Bacon Mason (Graphic, July 3) is alarmist to a quite unwarranted degree. I think Hitler is crazy but not so crazy as to bel'eve he can conquer the United States. If, in Mein Kampf, he avowed the aim of world mastery, that may be dismissed as "campaign oratory"—like Wendell Willkie's pre-election warnings against our participation in the European conflict. At any rate, the Germans are men and not gods. We outnumber them almost two to one. Are we mice?

In the first World War there was a similar frenzied appeal to Miss Dorothy May Furbush, daughter of Mr. and Mrs. Edward A. Furbush of 50 Waverley Oaks rd., Waltham, was married to Lawrence A. Brophy, son of Mr. and Mrs. George P. Brophy of 14 Rowe st., Auburndale at two o'clock on Saturday afternoon, July 12, in St. Mary's Church, Waltham. Rev. John J. Lane performed the ceremony which was followed by a reception at Cedar Hill.

followed by a reception at Cedar Hill.

The bride was given in marriage by her father. She wore a gown of white marquisette in princess style with a long train. Here in the style with a long train. Here in the style with a long train. Here in the style was attended to enseade bouquet of white roses and bouvardia. She was attended by Miss Ruth C. Thompson of Belment as maid of honor who wore a gown of pink marquisette. The bridesmaids, Miss Derothy Felvey and Miss Mary McDonald of Cambridge, wore adua marquisette. They all wore veils to match their gowns with small coronets of flowers in their hair and carried old fashioned nosegays. Mary Agnes Brophy, niece of the bridegroom, was the flower girl. She wore a frock of bink marquisette over taffeta and carried a basket of rose petals.

Alexander J. McLellan was the In the first World War there was a similar frenzied appeal to fear. We were told that the Kaiser was bent on world dominion, that if the Allies should be defeated, our turn would come next and shortly we should all be speaking German! In fact there never was any danger of that dreadful fate. If we had been sensible enough to keep out of that first World War, probably it would have ended in the summer of 1917 in a peace without victory, the only peace that is likely to be just and therefore stable. Such a termination of the presto be just and therefore stable.

Such a termination of the present suicidal insanity in Europe is supremely desirable. Human life is the most precious thing in the world. Collective homicidewhich is war—is the most disastrous procedure conceivable. Nothing can be worse than war except bigger war or longer prolonged war.

A petition from the German-

Alexander J. McLellan was the Alexander J. McLellan was the best man. The ushers were Charles and Russell Furbush, brothers of the bride, George Brophy, brother of the groom, and James Cronin.

Following a wedding trip to New Hampshire and Maine Mr. and Mrs. Brophy will reside at 72 Newell rd., Auburndale.

The bride is a graduate of the Waltham High School and of Framingham State Teacher's College. She has been a teacher at the Fitch School in Waltham. The groom is a graduate of the New-

longed war.

A petition from the Germantown (Pa.) Monthly Meeting of the Religious Society of Friends to the President and the members of Congress points out the humane and practical and wise course our country should take:

country should take:

"We believe that our country can make peace if it will resolutely set its face to the task and will make as great sacrifices for this purpose as it will make for war. We are confident that myriads of men and women in all lands long for peace based on justice and freedom, and fight on only because they fear that if their country is defeated an unjust and vindictive peace will be imposed on them. groom is a graduate of the New-ton High School and attended Suf-

VITTUM-LAMB

Warren Martin of Waltham was the best man.
Following a wedding trip to New Hampshire Mr. and Mrs. Vittum will reside in Waltham.
The bride was graduated from the Newton High School and attended the School of Practical Art in Boston. The groom was graduated from the Weston High School and attended the Boston Technical Institute and the Wentworth Institute.

he ceremony. A reception for the 'mmediate families was held at the home of the bride's par-

at the home of the bride's parents.

The bride wore a gown of white chiffon and a tulle veil of fingertip length. Her bouquet was of white roses and baby's breath. Miss Veronica Powers of Brockton, the maid of honor, wore aquamarine taffeta with pink accessories and carried pink roses. Beverly O'Brian of West Newton, niece of the bridegroom, was the flower girl. She wore a dress of pink taffeta and carried pink roses.

HOULIHAN—MULLEN

Miss Elizabeth Ann Mullen, daughter of Mrs. Edward Francis Mullen of Brockton, was married to Francis Houlihan, son of Mrs. Frank D. Houlihan of 75 Prentice rd., Newton Centre, on Saturday morning, July 12, at 10 o'clock in St. Patrick's Church, Brockton. Rev. Lawrence Morrisroe performed the ceremony which was followed by a reception at the home of the bride's mother.

The bride wore a gown of white faille in princess style with a long veil of illusion. Her bouquet was of bouvardia and orchids. Miss Margaret G. Mullen, sister of the bride, was the maid of honor. She wore summer red marquisette with a matching hat and carried souvenir roses. The bridesmaids, Miss Edna Muller and Miss Alice Barry of Brockton, Miss Betsy Houlihan of Newton Centre, Mrs. Charles C. Hornbostel of Washington, D. C., Mrs. F. Victor Nisson of North Adams and Mrs. F. Louis Vogel of Cambridge, wore gowns of marquisette, two in duckling yellow, two in blush rose and two in heavenly blue, with cartwheel hats matching their gowns and carried bouquets of yellow roses and delphinium.

Charles D. Houlihan, brother of the groom, was the best man. The ushers were Richard P. Barry, Jr., of Brockton, Basil Coutrakon of Springfield, Ill., Dr. John P. Rattigan of Hyde Park, William Roberts of West Virginia, Stanley W. Prussian of Brookline and Stanley G. Walker of Worcester.

On their return from a trip to the West Coast, Mr. and Mrs. Houlihan will reside at 1960 Commonwealth ave., Brighton.

The bride was graduated from Dana Hall School and Wellesley College. The groom was graduated from Cushing Academy and Dartmouth College. He is the treasurer of Moller's Inc., of Cambridge and Lowell.

GRACEFFA-RISTUCCIA

Miss Mary Concetta Ristuccia, daughter of Mr. and Mrs. John Ristuccia of 549 Crafts st., West Newton, was married to Charles Francis Graceffa of 96 Chestnut st., Waltham, at four o'clock on Sunday afternoon, July 13, in St. Mary's Church, Scituate. The ceremony was performed by Rev. James Downey and a reception followed on the lawn of the summer home of the bride's parents at 49 Garden rd., Scituate. The bride wore a gown of white faille and a veil of net caught to a coronet of orange blossoms. Her bouquet was of bouvard'a with a white orchid centre. Miss Rose Ristuccia, sister of the bride, who was her only attendant, wore a skirt of cornflower blue with a pink top and matching pink hat.

Bernard Ristuccia, brother of the bride, was the best man. The ushers were Leo Poretti and Joseph Cardillo both of Waltham. On their return from a wedding tr'p to the White Mountains, Mr. and Mrs. Ristuccia will reside on Sunset rd., Waltham.

The bride attended the St. Charles School and Waltham High School. The groom attended Waltham High School. The groom attended Waltham High School and Northeastern University.

PINK-VAAS

Miss Mary Vaas, daughter of Mrs. Joseph F. Vaas of 159 Ward st., Newton Centre, was married to George J. Pink of Worcester at 9:30 o'clock on Saturday morning, July 12, in Holy Trinity Church, Boston. Rev. Carol L. Bernhardt, S. J., of Weston College performed the ceremony.

S. J., of Weston College performed the ceremony.
The bride wore a princess gown of white satin and a veil of tulle. She carried a white prayer book with orchids. Miss Cecilia Vaas was the maid of honor. The bridesmaids were Mrs. John Wessling, Mrs. Thomas Carly and Miss Anastasia Kirby. Rosemary Pink and Mary Elizabeth Pink were ring bearers.
William Pink served as best man. The ushers were Thomas O'Connor, James Smith, John Wessling and Tony Lipp.
Mr. and Mrs. Pink are to make their home in Southboro.
The bride attended Mt. St. Joseph Academy, Brighton, and was graduated from Emmanuel College in 1935. The groom was graduated from Boston College High School.

ACHORN-CLEMENTS

Mr. and Mrs. John Alexander Clements of Chicago have announced the marriage of their daughter, Mrs. Helen Harriet Clements, to Ensign Robert Giles Achorn, son of Mr. and Mrs. Harry Carver Achorn of 133 Fuller st., West Newton, which took place on June 19 at their home in Chicago. Miss Elizabeth Clements, sister of the bride, was her only attendant and Harry Achorn, Jr., brother of the groom, was the best man.

The bride was graduated from Denison University and Colorado College. She is a member of Kappa Alpha Theta. The groom attended the Rivers School and was graduated from Dartmouth. He is a member of Sigma Chi. He has just completed his officer's training in the Navy and has been assigned to the U. S. S. Kent.

FREDERICK H. GOWING

RECENT DEATHS

FREDERICK H. GOWING

JAMES H. CONNORS

James H. Connors of 127 Commonwealth ave., Chestnut Hill, died on Friday, July 11, at his home. Mr. Connors, who was in his 50th year, was born in Roxbury, the son of Peter F. and Catherine D. Connors. He had made his home in Newton for 20 years. He was president of the Federal National Coat & Apron Mfg. Co., and treasurer of the Hub Laundry, a director of the Union Savings Bank of Boston, and served as industrialist member of the New England Regional Labor Board. In 1937 he purchased a controlling interest in the Suffolk Downs Race Track and later became president of the Eastern Racing Association. In 1939 he acquired a controlling interest in the Suffolk Downs Race Track and served as chairman of the board of directors.

He is survived by his widow, Mrs. M. Dorothy (Foley) Congress and five politices. From France and five politices for Suffolk Downs and France and five politices. From Suffolk Downs and Suffolk Downs Race Track and served as chairman of the board of directors.

He is survived by his widow, Mrs. M. Dorothy (Foley) Congress and five politices. From France and five politices for Suffolk Downs and Survived by his the survived by his widow, Mrs. M. Dorothy (Foley) Congress and Was one of Boston. Function for in Chester, Newton, died at his home in Friedry, July 11. Mr. Gowing, who was in his Slist year, was born in Chester, Vermont. He is home in Newton for Friday, July 11. Mr. Gowing, who was in his Slist year, was born in Chester, Vermont. He is home in Newton for Supras and was one of Boston's 150 years and was one

the board of directors.

He is survived by his widow,
Mrs. M. Dorothy (Foley) Connors, and five children. Funeral
services were held on Monday
morning from his late home. A
high mass of requiem was celebrated in St. Ignatius Chapel of
Boston College at 9 o'clock.
Burial was in Holyhood Cemetery,
Brookline.

Newton Placed In New District For Congress

The congressional redistricting bill which is in the process of be-ing enacted by the State legislature changes the former plan to place Newton into Congressman Richard Wigglesworth's district. ported into the State Senate and which has been advanced by that body Newton becomes a part of gressman George Holden Tinkham. The city is preserved as a unit and now divided as was at one time considered. Congressman Wigglesworth is given Ward 18 of Boston, the Hyde Park district, in exchange for Newton. Ward 18 was formerly a part of Congress-man McCormack's district.

As under the provisions of the earlier plan Congressman Thomas Eliot, whose present district in-cludes Newton, is placed in the district served by Congressman Healey of Somerville. This latter district has been considerably altered, giving the Republican candidate to be nominated a better than even chance of election.

It is expected that in view of he preponderance of Republican strength in the State Legislature that the bill will be enacted despite efforts of Democratic leaders to alter the proposed districts on the claim of Republican gerrymandering.

Tennis Title Win City Doubles

Don Manchester and Leslie Lowy captured the city of Newton ennis doubles championship last Sunday in the final match of the annual tourney at the Burr Playground courts, defeating Mike Blanchard and Albert Turner. Scores of the match were 6—4, 6—3, 6—8, 6—1. An audience of over 200 witnessed the match which saw the winners capitalizing on a forcing net game to hold command. Manchester and Lowry upset Paul Rich and Al Rodefending champions, in a semi-final match the previous week. The winners have the right to represent Newton in the New England Public Parks tournament at Springfield over the Labor Day

To Appeal Board Are Also Approved Annuity for

Without debate the Board of Aldermen on Monday night confirmed the appointment of the new five-man welfare board which places the Newton Welfare Department under an administra tion recognized by the state and federal governments. The Board also approved the appointments o the three associate members of the Newton Appeal Board which Mayor Goddard had recommended The welfare board appointments had laid over from the previous meeting while the action on the members of the Appeal Board was made under suspension of the rules in order that it would not be necessary to hold confirmation over until the August 18th meeting. Confirmation was unanimous in both instances.

Four of the members of the Welfare Board are unpaid. They are Benjamin J. Bowen, Charles C. Dasey, Robert E. Dickerman and William R. Mattson. James P. Reynolds, present director of welfare, is the fifth member and has been designated as agent of the board, and will receive the same salary of \$3,750, as prior to the reorganization of the depart-

Creation of the new welfare board was sought by the Newton Community Council after a study of the local situation by a committee of that organization which revealed the fact that the situation needed to be remedied in order that Federal co-operation could be continued. The Board will act to co-ordinate the administration of public and private re-

It is anticipated that the board will hold a preliminary meeting shortly although a number of the members are out of town on vacation. At the meeting the board will organize with a chairman. Director Revnolds states that the creation of the new board will be of "great assistance" in the greater operating efficiency of the department as a "policy making"

A continued reduction in welfare demands is being experienced in the department although the recent WPA layoff has resulted in a slight increase in general needs. The figures for July, however, are expected to be ten per cent or more under the \$21,800 expended in July of 1940.

'Vermont Is a Lovely Place" Says Insp. House

Inspector Irving W. House of the Newton Health Department, like most other people, considers Vermont "a lovely place" under usual conditions. But the Newton official had a run of bad luck the other day while on a milk inspection trip to farms in the Green Mountain State, which supply Newton residents with milk.

In one day the popular Newton inspector was stung by a hornet, bitten by a dog, chased by a ram, stuck a pencil in his eye, slipped and tumbled down a flight of stairs in a barn, plunging through a door into a pit.

Vermont will always be "a lovely place", for such things have been known to happen elsewhere - although rarely not all on the same day to the

To Be Completed By Mid-September

Commissioner John D. Haughey of the Newton Street department announced yesterday that work on the resurfacing of Commonwealth ave. from Chestnut st., West New-ton to Lexington st., Auburndale, would be started next Monday. Completion of the resurfacing of the southerly side of the avenue which started at Lake st. several years ago from one side of the city to the other is entailed in the new project. The work to be done will be under the provisions of Chapter 90 of the General Laws with the state, county and city

sharing in the total cost. The resurfacing will entail an expenditure of \$50,000 of which the State Public Works Commission has authorized a half from the Chapter 90 state funds. The county has allotted \$8,500 as its share of the work and the balance, or \$16,500 will be paid by the city. Several weeks ago the Aldermen made an appropriation of \$25,000 in order that the city might begin the work and act as the contractor. The city will be reimbursed for all expenditures above the \$16,500. The state department will provide inspectors

for the work. A force of twenty-five city laborers will be employed upon the Commonwealth avenue work Commonwealth avenue work which will probably not be completed until the middle of September. The distance is approximate-

in an inner tube ... filling it with air and holding it under water until the air bubbling up shows you where the leak is. Well. is used in locating a small break in telephone cables.

The more important toll cables that carry long distance tele phone wires are filled with nitrogen gas under pressure. Sig-naling devices are installed in the cable every so many miles and these devices are electrically connected with a terminating office that watches over long distance lines. If there is even the tiniest pinhole made anywhere in the cable, the es-caping gas lowers the internal pressure and actuates the sig-naling device which registers immediately in the terminating office. This signal shows the ap proximate location of the leak Before the damage can serious ly interrupt telephone service, the cable is repaired.

The "gas alarm" is being set up for more and more mies of New England Telephone cable.

Another phase of the constant effort to improve telephone service by every possible device.

burst of reserve power no other car in the world

Sounds good? Naturally-but that's only part

Facts are, your engine is more efficient with Compound Carburetion's extra "nose" for action. Owner-experience shows that you actually go as much as 10% to 15% farther per gallon than you did in previous Buicks.

So better go try it. Try out Buick's bigger size, greater room, extra comfort at the same time.

Then ask delivered prices. Instead of being higher you'll find them actually lower than you'll pay anywhere else for anything like equal value.

†Available on Buick Special models at small extra cost, standard on all

or the Business Coupe (illustrated above) including Compound

delivered at Flint, Mich. State tax, optional equip-ment and accessories extra. Prices and specifications subject to change without notice.

Newton Families

THE JOHN J. GRIFFIN FAMILY OF WABAN

"Five Little Griffins and How! They Grew" might easily be the title of any write-up of the Griffins at 5 Evelyn rd., Waban, because, in addition to Mr. and Mrs. John J. Griffin, there are Ann, 13; Jean, 12: Marylou, 7: Allan, going on 3; and Jane, just one year old. And we should include Spunky, the Spitz, and Lucky, the

This is a real New England family, for both Mr. and Mrs. Griffin were born in this region of the country, although they have lived in Waban only five years.

When it comes to hobbies. Mr Griffin plays golf, first, last and always. As for Mrs. Griffin, it is pretty obvious that hers is child ren. But with the latter, there is

Ann, who is in the eighth grade at the Levi F. Warren Junio High School has chosen swimming and playing the piano. Jean, goes to Angier, is best at skating. swimming and tennis. Marylou who also goes to Angier, likes everything, and the two youngest members of the family would not allow themselves to be quot ed on this point.

Riverside Band Concerts Attract Large Audience

The band concert at the last Sunday afternoon attracted a large audience of canoe ists upon the river and motor-ists in the nearby parking area. The Waverley Veterans of Foreign Wars Band, state champions for four years a while ago, was attraction. A well-arranged program was offered.

ing Sunday afternoon from 3:30 to 5:30 p. m. will be provided by West's Band. The concerts are sponsored Metropolitan District nmission. Wednesday evening concerts are given at Speedway bandstand in Brighton, that for July 30th from 7:30 to 9:30, to be presented by Wolf's Concert

Kiwanis Club

"New England, the Workshop of the Nation," was the title of a moving picture shown at the meeting of the Newton Kiwanis Club last Tuesday. This was pre ented through the courtesy of the New York, New Haven & Hartford Railroad, and pictured the leading part which New England takes in the industrial de velopment of the country.

Austin Shea suggested that one of the meetings of the local club in the near future be held in the vening at the Working Boys Home in Newton. William White of the entertainment committee, will investigate and report with recommendations at a late: meeting.

A vote of appreciation was assed by the club to five members who assisted in entertaining children from the Peabody Home at Norumbega Park recent The five members were Aus-Shea. Wallie Finlay, Robert Wilcox, Ed Cannon, and Archi-

> prorogation of the legislature Rep. Colby will enter the office of the City Treasurer, possibly as a clerk His employment as "assistant" treasurer would be a designation conferred upon him by Mr. New-The possible succession of Rep. Colby as city treasurer af ter several months' service in the department is dependent upon the rsonal decision of Mr. Newhall to retire from office or the election of a successor by the 1942 Board of Aldermen. The salary of the office of treasurer and colector is \$5000 annually.

Some years ago during the ad-ninistration of Mayor Sinclair Weeks an appropriation of \$2000 was made by the Board of Aldermen for the employment of an "assistant treasurer." The appro-priation remained unexpended in the accounts of the treasury de-partment until the end of the year when it was returned to the City Treasury as is customary with other unexpended sums.

-Zoning

(Continued form Page 1)

the committee, expressing his opinion that the Aldermen should await the Planning Board's re-

Alderman Hughes seconded the motion remarking that, "the rights of the petitioners are jeopardized by the present attitude of the chairman." Alderman Carrol J. Hoffman and Maxwell P. Gaddis declared that they also would "like to hear the Planning Board report on the matter." On a voice vote the matter was referred back to the committee.

Later in the evening subsequent action was taken by the Planning Board with a 5 to 2 vote approv ing the petition for placing the land in question in a more restricted area. This action is similar to that taken by the Planning Board of several years ago in seeking to clear up what many persons have termed an "eyesore and a "detriment" to

The land is that proposed a few months ago as a suitable memorial park to the late Samuel F Smith, author of "America" a longtime resident of Newton

It is expected that at the nex meeting on August 18th the mat-ter will be the subject of considerable debate upon the part of members of the Board.

Extend Business On Comm'lth Ave .

The renewed attempt to extend business on Commonwealth ave. was halted on Monday night with aldermanic refusal to grant the property between Nos. 535 and 543 Commonwealth ave. made usable for business purpose's.

The owner was represented at the public hearing before the committee and the Planning Board by Robert Burns, Newton realtor. Mr. Burns informed the commit-

tee that the lot of land adjoined stores on one s'de, that it was a small lot, restricted by setbacks and could not be used for residence purposes as it was not large enough for anything but a store He stated that a residence if built there would practically be adjacent to the business building be-side it. He added that although there were vacant stores in th vicinity it did not mean there enough facilities there believed too high rent was being sought. The petitioner, he added, has owned the property for 15 years and that at one time he owned land in Auburndale and in West Newton on the avenue but had sold these parcels.

Abuttors and owners of the property nearby registered their ing st., and seven other neighbors sition. George Masganas, son of Mary D. Masganas, owner of property adjoining stated that should a store be built upon the lot then their home would be adjacent to the building. His mother purchased the property 17 years ago, he stated, and was assured that the private residence zone there would be protection from business encroachment. He pointed out that increasing traffic congestion would also add to the detrimental effect of zoning the land for business. John E. Crowley, owner of property on the opposite site of Commonwealth ave. stated under "non-conforming" that the granting of the petition leges.

in the vicinity. Wilma D. Karis erty, stated that several years ag her child was injured by an auto mobile and that this year a do was killed in front of the property there. City Clerk Grant also read letters of protest from abutting property owners, Reuben Kaplar of Brookline, Celia Gorin of Irv

Subsequent to the hearing the committee presented an unfavora petition. Alderman Rawson sta-ted that to grant the petition would be "spot" zoning. He prefaced his remarks by stating that the petition was a "hardy peren-nial" which had been before the Board on several occasions in the past. He concluded that it was not in the "public interest" to extend business on Commonwealth ave, and that existing business in the neighborhood was conducted of the building which occupied the privi-

New Church At **Boston College**

Plans for the erection of a new hurch at Boston College have een progressing. The edifice will be erected on the site of a buildng used to house some of the college faculty. This building has een moved to a new location under a building permit recently issued by the city building depart-ment. The cost of removal and refitting of the structure as a parsh house is estimated at \$15.

Since the establishment of the parish of Boston College in Newon some 14 years ago the college chapel and auditorium have been used for church services. Plans for the new building have been completed for some time but the time of starting work is not definitely assigned although it is site that the project will be un-dertaken at an early date.

Vol. LXIX-No. 47

Single Copy 5c; \$2.50 per Year

A continuation of the reduc-tion of welfare costs in the city of

Newton is noted by Director James P. Reynolds of the local

welfare department. The reduc-tion for the first six months of the

year is approximately 40 per cent of the amount expended for the

same period a year ago. The monthly expenditure for June is

Director Reynolds states that

or the period of January to June

1940 that an expenditure of \$150 .-

000 was made for general aid, ex-

clusive of old age assistance and

aid to dependent children pay-

ments. For the current year the

During June 1940 the sum of

\$19,000 was expended as against

\$8,000 for the month of June 1941. A corresponding drop has been

experienced in the case load. The June case load for 1940 was 536

against a figure of 279 for the same month this year.

experienced in any year since the beginning of the depression al-

though still several times the pre-

depression expenditures for simi-lar purposes. Although an increase

is expected in the July expendi-tures due to the drastic reduc-

tions in WPA projects and the drought which has kept gardening

work at a minimum the resulting increase is expected to be far be-

low the expenditures of a year

Director Reynolds states that practically every "employable" in the city of Newton is no longer

on the welfare roles and that the

current load is about the mini-mum which can be anticipated.

Complaints by residents and

passengers of the high speed of trolley cars on Tremont st., New-

ROAD WIDENING Director Reynolds Reports Six Months Expenditures Are CHARLESBANK

Engineering Department Preparing Project For Forty Foot Roadway On Narrow Bottleneck River Road

Aldermen To Hold **Hearing On Petitions**

On August 18th at the next neeting of the Newton Board of Aldermen a public hearing will be held on the matter of widening Charlesbank rd. in the New-ton Corner section of Newton, long used as a connecting artery to the river bank road. The hear ing will be held on a recommendation of City Engineer Ernest H. Harvey that the street be widened ten feet on the north side for a distance of about 1110 feet from St. James st. to the Metropolitan District line. The widening will make the street a 40 foot roadway.

Two petitions for relief of traffic conditions in the vicinity are before the Aldermen signed by 88 residents of the vicinity. Another petition was rejected a few weeks ago by the Board which sought to prepare Russell rd. as a connecting link between Charlesbank rd. and the riverway. The Metropolitan District Commission disapproved this project because of the presence of a large water main but a foot below the surface of the street which would be subject to damage. Residents of the section also opposed that proposa as tending to bring greater volume of traffic at a location which would be inadequate to handle it.

The proposed widening will en tail a considerable expenditure as the city will find it necessary to take ten feet of land from the property owners of the north side (Continued on page 6)

40% Lower Than Last Year. June Aid Shows Last Call For Similar Trend

Ragweed Destruction

A last call for the destruc tion of ragweed, that noxious plant which causes so much distress among hayfever suf-ferers, has been issued by the Newton Federation of Women's Clubs through its Conservation committee. August first is about the deadline for the seasonal destruction of the weed. Lists of names and di-rections for its destruction have been posted throughout the city. If any citizen knows of any field or spot that has been overlooked the district chairman should be notified.

The committee includes: Mrs. Edw. B. Gray, chairman; Mrs. John Brown of Auburndale, Mrs. Raymond Capabianco of Auburndale. Mrs. E. E. Gay of Newton-ville, Mrs. C. H. Sears of West Newton and Mrs. Philip Ger-main of Newton.

Cardinal Makes Two Gifts of Land

Country Day School And Liggett Estate To Be Remodelled

The purchase and gift of two

arge Newton tracts of land and property this week were aninced late last week by Cardinal William O'Connell. On Friday it was revealed that Cardinal O'Connell had presented to the Boston diocese the former Country Day School property in the Farlow Hill section of Newton to be used as a Catholic institution for the education of boys. A day later announcement was made of the gift to Boston College by the Cardinal of the Louis K. Liggett property to be used in an expansion of the college campus.

The Country Day school property, the first established such chool in America in 1908, was ton police department traffic bucombined with the Rivers School of Brookline about a year ago. It have been requested to notify ophas since remained unoccupied. It erators of the cars that the will be reopened in September and will be known as St. Sebastian's in Newton applies to the trolley Country Day School, with Rev. Charles D. McInnis of the faculty of St. John's Seminary in Brighton, as headmaster. He has been appointed to that office by Cardinal O'Connell. The general educational policies of the school cover a four-year period and will were taken, Captain Nicholas Chief Hughes makes the recommendation for the warning bell, to accompany the red and the pupils.

Chief Hughes makes the recommendation for the warning by selected priests will instruct the pupils.

Rotary Club

Dr. Freder'ck V. Martin, Director of Speech Clinics for the Airth, Norman Sanders, Robert Rhode Island College of Education, was the speaker at the week-Bougault, Patricia Linnehan, Jane ly meeting of the Newton Rotary Club held Monday at the Brae beth McKee, Ruth Concannon, Mary Hoagland, Patricia Washer, was "The Prevention and Correction of Speech Defects."

> Dr. Martin said the most necessary factor in speech correction is a knowledge, through education, of what to do to correct the defects. In Rhode Island, through the educational plan of the College of Education, every city and town has at least one teacher who has been trained not only in the principles of speech correction, but also by weekly experience in a speech clinic. Education on these lines is necessary to physicians teachers and parents alike.

Dr. Martin described the mechanics of speech briefly as first, a visualization of the word to be uttered; and then the transmission of impulses from the speech center through nerve channels to the various muscles in the tongue, jaw and throat used in speaking. Speech defects are caused by damage or malformation of any of these parts. In normal children speech defects are not inherited although a neurotic disposition may be inherited. Stammering, a non form of speech defect, is caused by a stoppage of the impulses from the speech control center. There are many reasons for this, among them early childhood illnesses, and the elimination of only one cause will not usually effect a cure. Many children develop a lisp during the period in which their permanent teeth are coming through and if not correct ed at the time a permanent lisp may develop which is much hard er to correct in later life. Enlarged tonsils are another cause of this defect.

Dr. Martin cited several actual cases of speech correction to show that patience and persistence will overcome defects in any normal individual. He mentioned the case of a soldier who had half of his jaw and the front third of his tongue shot away in the first world war. Plastic surgery restored the jaw and the speech clinic spent a whole year re-edu cating the muscles of the tongue to articulate words. Today he speaks normally and better than the average person

In conclusion Dr. Martin stated hat with proper medical care and correct education in development of the child's speech, few cases of speech defects should ever become Correction should be made early, intelligently, patient ly and persistently, thus avoiding social and economic handicaps later on in life.

Dr. Martin, who is the founder and head of the Martin Hall Speech Clinic, is a member of the Bristol, R. I., Rotary Club. He introduced by President was Charles H. Meeker. During the meeting President Meeker presented a Past-President's badge to John J. Cahill, whom he suc eeded in office.

An interesting letter from the Rotary Club of London, England, was read at the meeting. time ago the Newton Club was addressed by Basil Matthews of the London club who is now in this country. The Newton secretary wrote tto England to inform them that all had enjoyed Mr. Matthews' remarks. They thanked at that particular meeting of the London club the closing toast was in honor of the Newton Club.

55 YEARS AGO

Newton Graphic, July 31, 1886 There was a very brilliant display of Northern Lights Tuesday night. The display was at its height about 11:15, when the heavens for about a quarter of the horizon were a perfect blaze of annoyance, if you are gone long light. The telephone and tele-enough, and also save much trou-

The rumor that the tax rate had been fixed at \$17 is without was not built in a day and the foundation, as the assessors do not expect to have the rate made out before the 7th of August, and it will surprise most people if it is over \$14.50.

A Newton man walked to about three p. m.

Captain Eliot of Newtonville i making many improvements at the old homestead, and it is understood that he has given up the ea and will remain at home.

The last trip to Hoixe's fishing grounds at Plymouth by the Newtonville fishers gave to the stayat-homes a delicious breakfast of

The Newton Police court pays better, in proportion to its exthan any court in the country, except the one at Lowell

Mayor Kimball has received bids for the construction of the tunnel under the railroad tracks t Auburndale, and it is probable that the contract will be award ed soon and work begun.

An immense exodus of trunks and people belonging thereto occurred yesterday morning at Au-burndale. The stay-at-homes in our village may comfort them-selves with the fact that nowhere can a more restful, beauor agreeable retreat tiful found than Auburndale, in its full ummer beauty.

out for them, especially those that are not recorded at City Hall.

Why are we disturbed so much by the constant bellowing of the cows? The answer is very simple. All cows should have plenty of good pure water, but the ani-mal is tethered out all day in the burning sun without so much as a shady tree, and no freedom to reach the running brook. This practice of thus confining the animals should be condemned. Give the cows the water, but not the

Birglar family has arrived at Newton for the season. This family pronounce that this city is one the finest localities in the state for recuperation, with absolute dom from molestation."

Many houses in Newton are founded on rock, as their owners and to their cost when connections with the sewer are being made. At one house three separate trenches were dug before an opening in the ledge was found.

A good time to take a vacation is when you see the sewer laborers appear on your street. You will thereby escape a good deal of graph wires were not a little affected by the phenomenon. two three blocks off while the sewer is being excavated. same is true of Newton sewers.

Editorial-An Excellent Showing—The results of the examina-tions of pupils from the Newton High school for entrance to Harvard and the Institute are very Westboro, the other day, to do a day's work. He arrived there that the school is doing good that the school is doing good work. At Harvard thirteen pupils were examined and they passed with only three conditions and won 27 honors. At the Institute of Technology sixteen pupils were examined and they passed with only one condition. Such a showing is probably not excelled by any other school that sends pupils to these institutions and the result will give great satisfaction to the people of Newton, who will feel that if such results are obtained it is worth while to pay the large sum it costs to maintain the High

> A highly decorated sign has made its appearance on the new street being made through land purchased by Mr. C. S. Dennison, and attracts the admiration of all passing by. It reads—"Dennyson's Bullyvards." Isn't this extremely English? "Lover of Home Ideas.

Spring water at the Marshall Stone place on Parker st., Oak Hill, is now offered for sale as containing medicinal qualities.

While the chairman of the executive committee of the Improvement Association (Newton Highlands) who had charge of the work of completing the fountain and basin is away rusticating, the children experimenting during the vacation to ascertain if wood will float and stones will sink. introduction of fish does not seem to be a success.

25 YEARS AGO

Newton Graphic, July 28, 1916 Physical Director William Macerson of Y. M. C. A. presented with purse of gold at farewell reception in his honor. Leaves Newton after eight years of service to accept position at Brook-lyn Naval Y. M. C. A.

Editorial-Attention is invited to the suggestion in the article this week on the Newton Free Library calling attention to the necessity for branch libraries in this city. Our peculiar geographical situation demands a service which is unusual and creates a condition which handicaps the efficiency of the library. The city government ought to adopt a plan of building one of these much needed branch library buildings every two years and enable our scattered population to obtain a large use of our well equipped libraries.

Suggestions from an Overworked Guardian Angel

13. YOUNG AND OLD. Protect the very young and very old. Keep your children in a yard or playground; don't let them play in the street. Give elderly persons a helping hand in traffic; caution them to allow the extra time they need for crossing streets.

RECENT DEATHS

DELIA A. JOYCE

Mrs. Delia A. Joyce, widow of Martin H. Joyce, and mother of William F. and M. James Joyce, Newtonville, funeral directors, died on Monday at her home, 58 Walnut st., Newtonville. She was by his widow, Anna A. (Nicholin her 65th year and had been ill but a short period. She was born William J. Keating of Auburnin County Mayo, Ireland, and had lived in Newton for more than fif-

Besides her two sons she leaves three daughters, Mrs. Ernest J. Farrington of Chelmsford, Miss Florence L. Joyce of Newtonville. and Mrs. Charles A. Gallagher of Arlington, Virginia, and two grandchildren. Other survivors are a sister, Mrs. Frank X. Lally of Swampscott and two brothers Patrick Farragher of Ireland and David J. Farragher of Newton.

Mrs. Joyce was prominent in activities at the Church of Our

Funeral services were held from the home on Monday morning followed by a solemn high requiem mass in the Church of Our Lady at 9 a. m. Rev. John A. Sheridar was the celebrant, Rev. Russell T. Haley, deacon and Rev. Joseph Robichaud, sub-deacon. Seated within the sanctuary were Rev. Francis Driscoll, chaplain of St. Elizabeth's Hospital: Rev. Thomas Fallon of the Church of Our Lady: Rev. Father John Zareenskis of the Church of Our Lady; Rev. Father Charles Bryson of the Church of the Holy Nam Rev. Peter Hart of Sacred Heart Church, Atlantic; and Rev. Ambrose Gallagher of St. John's, Col-. Students of Stigmatine College, Wellesley, acted as altar The responders to the mass were chanted by a choir of thirty young priests of the Stigmatine Order. A group of Franciscan nuns from St. Elizabeth's Hospi-

Pallbearers were James P. Gallagher, clerk of the Newton Court; William L. L. Eaton, James T. Burns, and George Rogers, su-perintendent of the Newton Forestry department. Ushers were Walter Murphy, Richard Eaton, Leo Thomas, William Thomas Henry Casey and Thomas Frazier.

Interment was in the family lot at Holyhood Cemetery, Brookline There were prayers at the grave by Frs. Sheridan, Haley, Hart Bryson and Fallon. The Benedicts was sung by the Stigmatine Choir

SUSAN A. KEYES

Funeral services were held on Saturday afternoon from the Gregg Funeral Home, Watertown, for the late Mrs. Susan A. Keyes who passed away after a long illness on July 23rd. She was the widow of Eliot Keyes and resided with her daughter, Mrs. Nellie A. Anderson, of 48 Winchester rd., Newtonv'lle. She was in her 80th year and was born in Hebron, Nova Scotia, the daughter of Ainsley Patten and Myra (Wyman)

Interment took place in Pir Grove Cemetery, Lynn

Build Aluminum Plant On Newton-Waltham Line

Building permits have been isued by the Newton and Waltham building departments for the contham, who now conduct a factory

in Waltham. The structure, which will be of concrete blocks, will be 12 feet high and 80 by 50 feet. Montford K. Hayden of Waltham is the contractor. The plant will be indirectly engaged in government defense contracts.

Briton Speaks At ARP School

Howard Johnson, former auxiliary fire control officer of the Sunderland Dock Yards at Sunderland, England, was the speaker at the Monday night meeting of the Newton Air Raid Warden School. The Briton, now of Toronto, Canada, lectured on "Duties of an A. R. P. Warden." The meeting was attended by more than a thousand Newton residents who are being trained to serve as air wardens.

Mr. Johnson's lecture follower an outline of five basic remarks (1) You are that warden; (2) The siren sounds: (3) After the 'all clear''; (4) Equipment; (5) Summary.

"You are the link between your area and the report center which must be informed of the fall of bombs and the amount and type of damage," he said, "You shoul assist in guiding members in the area to shelter when needed. You should remain calm, for your steadiness will set an example which will help to avoid panic, hysteria and loss of morale

"You locate and indicate in some way the presence of incen-diary bombs, unexploded shells, bombs, fallen aircraft, anti-air craft shells or any materials which may be a danger to person or property.

"You must know your locality so well that you can find every tree, post or house in the dark.
"You must take reasonable precautions for your own safety dead warden is a waste of train-

ing.'
"When a bomb drops, locate it note the type, check the approximate number of casualties. persons trapped? Has fire start-ed? Notice if water, gas, electric or sewage systems are damaged. See if there are unexploded Note streets which are blocked."

William V. M. Fawcett, chief air warden of Newton, presided He was assisted by John M. Bierer, chairman of the Newton Com mittee on Public Safety

JOHNSON-VACHON

Miss Lorraine Vachon, daughter f Mrs. Dora Vachon of 73 Faxon t., Newton, was married to Frank G. Johnson, son of Mrs. Matilda Johnson of 31 Surry rd., Arlington, on Sunday, July 27. Rev. J. E.
